

Regulation (EU) No 598/2014 of the European Parliament and of the Council of 16 April 2014 on the establishment of rules and procedures with regard to the introduction of noise-related operating restrictions at Union airports within a Balanced Approach and repealing Directive 2002/30/EC

Article 10

Exemption for aircraft operations of an exceptional nature

The competent authorities may, on a case-by-case basis, authorise individual operations at airports for which they are responsible in respect of marginally compliant aircraft which could not otherwise take place on the basis of this Regulation.

The exemption shall be limited to:

- (a) operations which are of such an exceptional nature that it would be unreasonable to withhold a temporary exemption, including humanitarian aid flights; or
- (b) non-revenue flights for the purpose of alterations, repair or maintenance.
