

Regulation (EU) No 600/2014 of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments and amending Regulation (EU) No 648/2012 (Text with EEA relevance)

TITLE II

TRANSPARENCY FOR TRADING VENUES

CHAPTER I

*Transparency for equity instruments*

*Article 3*

**Pre-trade transparency requirements for trading venues in respect of shares, depositary receipts, ETFs, certificates and other similar financial instruments**

1 Market operators and investment firms operating a trading venue shall make public current bid and offer prices and the depth of trading interests at those prices which are advertised through their systems for shares, depositary receipts, ETFs, certificates and other similar financial instruments traded on a trading venue. That requirement shall also apply to actionable indication of interests. Market operators and investment firms operating a trading venue shall make that information available to the public on a continuous basis during normal trading hours.

2 The transparency requirements referred to in paragraph 1 shall be calibrated for different types of trading systems including order-book, quote-driven, hybrid and periodic auction trading systems.

3 Market operators and investment firms operating a trading venue shall give access, on reasonable commercial terms and on a non-discriminatory basis, to the arrangements they employ for making public the information referred to in paragraph 1 to investment firms which are obliged to publish their quotes in shares, depositary receipts, ETFs, certificates and other similar financial instruments pursuant to Article 14.

*Article 4*

**Waivers for equity instruments**

1 <sup>[F1</sup> The FCA may] waive the obligation for market operators and investment firms operating a trading venue to make public the information referred to in Article 3(1) for:

- a systems matching orders based on a trading methodology by which the price of the financial instrument referred to in Article 3(1) is derived from the trading venue where that financial instrument was first admitted to trading or the most relevant market in terms of liquidity, where that reference price is widely published and is regarded by market participants as a reliable reference price. The continued use of that waiver shall be subject to the conditions set out in Article 5.
- b systems that formalise negotiated transactions which are:

**Changes to legislation:** Regulation (EU) No 600/2014 of the European Parliament and of the Council, CHAPTER 1 is up to date with all changes known to be in force on or before 17 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (i) made within the current volume weighted spread reflected on the order book or the quotes of the market makers of the trading venue operating that system, subject to the conditions set out in Article 5;
  - (ii) in an illiquid share, depositary receipt, ETF, certificate or other similar financial instrument that does not fall within the meaning of a liquid market, and are dealt within a percentage of a suitable reference price, being a percentage and a reference price set in advance by the system operator; or
  - (iii) subject to conditions other than the current market price of that financial instrument;
- c orders that are large in scale compared with normal market size;
  - d orders held in an order management facility of the trading venue pending disclosure.
- 2 The reference price referred to in paragraph 1(a) shall be established by obtaining:
- a the midpoint within the current bid and offer prices of the trading venue where that financial instrument was first admitted to trading or the most relevant market in terms of liquidity; or
  - b when the price referred to in point (a) is not available, the opening or closing price of the relevant trading session.

Orders shall only reference the price referred to in point (b) outside the continuous trading phase of the relevant trading session.

- 3 Where trading venues operate systems which formalise negotiated transactions in accordance with paragraph 1(b)(i):
- a those transactions shall be carried out in accordance with the rules of the trading venue;
  - b the trading venue shall ensure that arrangements, systems and procedures are in place to prevent and detect market abuse or attempted market abuse in relation to such negotiated transactions in accordance with Article 16 of Regulation (EU) No 596/2014;
  - c the trading venue shall establish, maintain and implement systems to detect any attempt to use the waiver to circumvent other requirements of this Regulation [<sup>F2</sup>, Commission Delegated Regulation (EU) 2017/565 supplementing Directive 2014/65/EU of the European Parliament and of the Council as regards organisational requirements and operating conditions for investment firms and defined terms for the purposes of that directive, the Markets in Financial Instruments Regulations 2017 or rules or relevant technical standards made by the FCA] and to report attempts to the [<sup>F3</sup>FCA][<sup>F4</sup>(and for these purposes, “relevant technical standards” mean technical standards made by the FCA under this Regulation)].

Where [<sup>F5</sup>the FCA] grants a waiver in accordance with paragraph 1(b)(i) or (iii), [<sup>F5</sup>the FCA] shall monitor the use of the waiver by the trading venue to ensure that the conditions for use of the waiver are respected.

[<sup>F6</sup> The FCA must monitor the application of any waivers granted under paragraph 1 and publish an annual report on how they are applied in practice.]

5 [<sup>F7</sup>The FCA] may [<sup>F8</sup>... withdraw a waiver granted under paragraph 1 as specified under paragraph 6, if it observes that the waiver is being used in a way that deviates from its original purpose or if it believes that the waiver is being used to circumvent the requirements established in this Article.

There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- 6 [F10The FCA may make] technical standards to specify the following:
- a the range of bid and offer prices or designated market-maker quotes, and the depth of trading interest at those prices, to be made public for each class of financial instrument concerned in accordance with Article 3(1), taking into account the necessary calibration for different types of trading systems as referred to in Article 3(2);
  - b the most relevant market in terms of liquidity of a financial instrument in accordance with paragraph 1(a);
  - c the specific characteristics of a negotiated transaction in relation to the different ways the member or participant of a trading venue can execute such a transaction;
  - d the negotiated transactions that do not contribute to price formation which avail of the waiver provided for under paragraph 1(b)(iii);
  - e the size of orders that are large in scale and the type and the minimum size of orders held in an order management facility of a trading venue pending disclosure for which pre-trade disclosure may be waived under paragraph 1 for each class of financial instrument concerned;

### Article 6

## Post-trade transparency requirements for trading venues in respect of shares, depositary receipts, ETFs, certificates and other similar financial instruments

1 Market operators and investment firms operating a trading venue shall make public the price, volume and time of the transactions executed in respect of shares, depositary receipts, ETFs, certificates and other similar financial instruments traded on that trading venue. Market operators and investment firms operating a trading venue shall make details of all such transactions public as close to real-time as is technically possible.

2 Market operators and investment firms operating a trading venue shall give access, on reasonable commercial terms and on a non-discriminatory basis, to the arrangements they employ for making public the information under paragraph 1 of this Article to investment firms which are obliged to publish the details of their transactions in shares, depositary receipts, ETFs, certificates and other similar financial instruments pursuant to Article 20.

### Article 7

## Authorisation of deferred publication

1 [<sup>F14</sup>The FCA] shall be able to authorise market operators and investment firms operating a trading venue to provide for deferred publication of the details of transactions based on their type or size.

In particular, [<sup>F15</sup>the FCA] may authorise the deferred publication in respect of transactions that are large in scale compared with the normal market size for that share, depositary receipt, ETF, certificate or other similar financial instrument or that class of share, depositary receipt, ETF, certificate or other similar financial instrument.

**Changes to legislation:** Regulation (EU) No 600/2014 of the European Parliament and of the Council, CHAPTER 1 is up to date with all changes known to be in force on or before 17 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Market operators and investment firms operating a trading venue shall obtain the [F16FCA's] prior approval of proposed arrangements for deferred trade-publication, and shall clearly disclose those arrangements to market participants and the public. [F17The FCA] shall monitor the application of those arrangements for deferred trade-publication and [F18must publish an annual report on how they are applied in practice.]

F19  
...

2 [F20The FCA may make] technical standards to specify the following in such a way as to enable the publication of information required [F21under regulation 14 of the Data Reporting Services Regulations 2017]:

- a the details of transactions that investment firms, including systematic internalisers and market operators and investment firms operating a trading venue shall make available to the public for each class of financial instrument concerned in accordance with Article 6(1), including identifiers for the different types of transactions published under Article 6(1) and Article 20, distinguishing between those determined by factors linked primarily to the valuation of the financial instruments and those determined by other factors;
- b the time limit that would be deemed in compliance with the obligation to publish as close to real time as possible including when trades are executed outside ordinary trading hours.
- c the conditions for authorising investment firms, including systematic internalisers and market operators and investment firms operating a trading venue to provide for deferred publication of the details of transactions for each class of financial instruments concerned in accordance with paragraph 1 of this Article and with Article 20(1);
- d the criteria to be applied when deciding the transactions for which, due to their size or the type, including liquidity profile of the share, depositary receipt, ETF, certificate or other similar financial instrument involved, deferred publication is allowed for each class of financial instrument concerned.
