

Regulation (EU) No 652/2014 of the European Parliament and of the Council of 15 May 2014 laying down provisions for the management of expenditure relating to the food chain, animal health and animal welfare, and relating to plant health and plant reproductive material, amending Council Directives 98/56/EC, 2000/29/EC and 2008/90/EC, Regulations (EC) No 178/2002, (EC) No 882/2004 and (EC) No 396/2005 of the European Parliament and of the Council, Directive 2009/128/EC of the European Parliament and of the Council and Regulation (EC) No 1107/2009 of the European Parliament and of the Council and repealing Council Decisions 66/399/EEC, 76/894/EEC and 2009/470/EC

TITLE II

FINANCIAL PROVISIONS

CHAPTER IV

Other measures

Article 34

Information systems

1 The Union shall finance the establishment and operation of the data bases and computerised information management systems, managed by the Commission, which are necessary for the effective and efficient implementation of the rules referred to in Article 1.

2 A Union financial contribution may be granted for the establishment and management of data bases and computerised information management systems of third parties, including international organisations, provided that those data bases and computerised information management systems:

- a have a proven added value for the Union as a whole and are available across the Union to all interested users; and
- b are necessary for the effective and efficient implementation of the rules referred to in Article 1.

Article 35

Implementation and adaptation of the rules

1 The Union may finance technical and scientific work, including studies and coordination activities, necessary to ensure the correct implementation of the rules in respect of the fields referred to in Article 1 and the adaptation of those rules to scientific, technological and societal developments.

A Union financial contribution may also be granted to the Member States or international organisations operating in the fields referred to in Article 1 in order for them to undertake activities in support of the development and implementation of the rules in respect of those fields.
