

Commission Implementing Regulation (EU) No 809/2014 of 17 July 2014  
laying down rules for the application of Regulation (EU) No 1306/2013 of  
the European Parliament and of the Council with regard to the integrated  
administration and control system, rural development measures and cross compliance

TITLE I

**GENERAL PROVISIONS**

*Article 2*

**Exchange of information on aid applications, applications  
for support, payment claims and other declarations**

1. For the purpose of the proper administration of aid schemes and support measures and where, within a Member State, more than one paying agency is responsible for the management of direct payments and rural development measures with regard to the same beneficiary, the Member State concerned shall take the appropriate measures to ensure, where relevant, that the information requested in the aid applications, applications for support, payment claims or other declarations is made available to all paying agencies involved.
2. Where checks are not carried out by the responsible paying agency, the Member State concerned shall ensure that sufficient information on the checks carried out and their results is received by that paying agency. It is for the paying agency to define its needs for information.
