## CHAPTER II

### **Aid applications and payment claims**

#### Section 1

#### **Common provisions**

#### Article 11

#### **Simplification of procedures**

1. Save as otherwise provided in Regulations (EU) No 1305/2013, (EU) No 1306/2013 and (EU) No 1307/2013, Delegated Regulation (EU) No 640/2014 or this Regulation, [<sup>F3</sup>Member States][<sup>F3</sup>the relevant authority] may permit or require that any kind of communications under this Regulation both from the beneficiary to the authorities and *vice versa* be made by electronic means, provided that this does not cause any discrimination between beneficiaries and that appropriate measures are taken to ensure in particular that:

- (a) the beneficiary is unambiguously identified;
- (b) the beneficiary complies with all requirements under the direct payment scheme or rural development measure concerned;
- (c) the transmitted data is reliable in view of the proper management of the direct payment scheme or rural development measure concerned; where use is made of the data contained in the computerised database for animals as defined in point (9) of the second subparagraph of Article 2(1) of Delegated Regulation (EU) No 640/2014, that database shall offer the level of assurance and implementation necessary for the proper management of the direct payment scheme or rural development measure involved;
- (d) where accompanying documents cannot be transmitted electronically, such documents are received by the competent authorities within the same time limits as for transmission by non-electronic means.

2. With regard to the submission of aid applications or payment claims, [<sup>F4</sup>Member States][<sup>F4</sup>the relevant authority] may, under the conditions laid down in paragraph 1, provide for simplified procedures where data is already available to the authorities, in particular where the situation has not changed since the latest submission of an aid application or payment claim under the direct payment scheme or rural development measure concerned in accordance with Article 72(3) of Regulation (EU) No 1306/2013. [<sup>F4</sup>Member States][<sup>F4</sup>the relevant authority] may decide to use data derived from data sources at the disposal of [<sup>F5</sup>national] authorities for the purposes of the aid applications and payment claims. In that case [<sup>F6</sup>Member State][<sup>F6</sup>the relevant authority] shall ensure that those data sources offer the level of assurance necessary for the proper management of the data in order to guarantee the reliability, integrity and security of that data.

3. Where possible, the competent authority may request the information required in any supporting documents to be submitted together with the aid application or payment claim directly from the source of the information.

[<sup>F7</sup>4. Where the integrated system provides for the pre-established form and the corresponding graphic material referred to in Article 72(3) of Regulation (EU) No 1306/2013 through a GIS-based interface, enabling the processing of the spatial and alphanumeric data

*Status: Point in time view as at 30/06/2020.*

of the areas declared (hereinafter referred to as ‘geo-spatial aid application form’), [F8Member States][F8the relevant authority] may decide to introduce a system of preliminary cross-checks (hereinafter referred to as ‘preliminary checks’), which shall include at least the cross-checks referred to in points (a), (b) and (c) of the first subparagraph of Article 29(1) of this Regulation. The results shall be notified to the beneficiary within a period of 26 calendar days after the final date of submission of the single application, aid application or payment claims referred to in Article 13 of this Regulation. However, where this period of 26 calendar days expires before the final date for notification of amendments in accordance with Article 15(2) of this Regulation, the results shall be notified to the beneficiary at the latest the calendar day following the final date for notification of amendments of the year concerned.

[F8Member States][F8The relevant authority] may decide to carry-out such preliminary checks at regional level, provided that the system using the geo-spatial aid application form is set up at regional level.

5. Where the beneficiary is a group of persons applying for support for agri-environment-climate operations as referred to in Article 28 of Regulation (EU) No 1305/2013 (hereinafter referred to as ‘collective’), the Member State may decide to derogate from the requirement in Article 14 of this Regulation that the payment claim is to contain all information necessary to establish eligibility for the support and from the restriction in Article 13 of this Regulation that all relevant data for the proper administrative and financial management of the support is to be submitted by the final date of submission of the payment claim, by introducing a simplified annual payment claim (hereinafter referred to as ‘collective claim’) that shall be submitted by a collective.

Articles 2, 3, 4, 9, 11, 13, 15 and 16, 17(1) and (3) to (9), and Articles, 21, 24, 25, 27, 28, 29, 35, 38, 39, 40, 42, 43 and 45 of this Regulation and Articles 4, 12 and 13 of Regulation (EU) No 640/2014 shall apply *mutadis mutandis* in respect of the particular requirements established in view of the collective claim.

For collectives, Member States shall include a description of the administrative arrangements in the rural development programme.]

#### [<sup>F7</sup>Article 14a

#### Collective claims

1. Where a Member State uses the option to introduce collective claims, Article 14 shall not apply in respect of such collective claims.
2. The collective shall submit one collective claim per year.
3. The collective claim shall contain all information necessary to establish eligibility for the support, with the exception of information in respect of the commitments covered by the agri-environment-climate operations as referred to in Article 28 of Regulation EU (No) 1305/2013. The collective claim shall contain in particular:
  - (a) the identity of the collective;
  - (b) the unique identification of each participating member of the collective;
  - (c) a reference to the application for support submitted by the collective;
  - (d) details of the agri-environment-climate operations concerned;
  - (e) particulars permitting the unambiguous identification of all agricultural parcels on the holding, their area expressed in hectares to two decimal places, their location and, where required, further specifications on the use of the agricultural parcels;
  - (f) where applicable, particulars permitting the unambiguous identification of non-agricultural land for which support under rural development measures is being claimed;

### *F17* Article 15

#### **Amendments to the single application or payment claim**

1. After the final date of submission of the single application or payment claim, individual agricultural parcels or individual payment entitlements may be added or adjusted in the single application or payment claim provided that the requirements under the direct payment schemes or rural development measures concerned are respected.

Changes regarding the use of direct payment scheme or rural development measure in respect of individual agricultural parcels or in respect of payment entitlements already declared in the single application may be made under the same conditions.

Where the amendments referred to in the first and second subparagraphs have a bearing on any supporting documents or contracts to be submitted, such documents or contracts may be amended accordingly.

1a. Where a beneficiary has been notified of the results of the preliminary checks as referred to in Article 11(4), that beneficiary may amend the single application or payment claim in order to include all necessary corrections with respect to individual parcels in accordance with the results of those cross-checks where they indicated a potential non-compliance.

1b. Where checks by monitoring are carried out in accordance with Article 40a, and the competent authorities have communicated the provisional results at parcel level referred to in point (d) of Article 40a(1), beneficiaries may amend the single application or payment claim regarding adjustment or use of individual agricultural parcels checked by monitoring,

---

provided that the requirements under the direct payment schemes or rural development measures concerned are respected. Individual payment entitlements may be added in cases where the amendment of the single application or payment claim leads to an increase of area declared.

2. Amendments made in accordance with the first and second subparagraphs of paragraph 1 shall be notified to the competent authority by 31 May of the year concerned [<sup>F18</sup>except in claim year 2020, when they shall be notified by 30 June]<sup>F19</sup>, except in the case of Estonia, Latvia, Lithuania, Finland and Sweden, where they shall be notified by 15 June of the year concerned].

By way of derogation from the first subparagraph, Member States may set an earlier final date for the notification of such amendments. That date shall however not be earlier than 15 calendar days after the final date for submitting the single application or payment claim fixed in accordance with Article 13(1).

By way of derogation from the first and second subparagraphs, [<sup>F20</sup>Member States]<sup>F20</sup> the relevant authority] may authorise the beneficiary to amend at a later date, in duly justified circumstances, the single application or payment claim as regards the use of the agricultural parcels declared for the purpose of the payment for agricultural practices beneficial for the climate and the environment in accordance with Chapter 3 of Title III of Regulation (EU) No 1307/2013 or the Natura 2000 and Water Framework Directive payment in accordance with Article 30 of Regulation (EU) No 1305/2013 provided that this does not put the beneficiary in a more favourable position with regard to the fulfilment of the obligations based on the initial application. In this case, Member States may decide to set a final date for the notification of these amendments to the competent authority.

Such notifications shall be made in writing or via the geo-spatial aid application form.

2a. Amendments following the preliminary checks made in accordance with paragraph 1a shall be notified to the competent authority at the latest nine calendar days after the final date for notification of the results of the preliminary checks referred to in Article 11(4) to the beneficiary.

Such notifications shall be made in writing or via the geo-spatial aid application form.

2b. Amendments following the communication of provisional results at parcel level referred to in point (d) of Article 40a(1) made in accordance with paragraph 1b shall be notified to the competent authority by the date fixed by that competent authority at the level of the aid scheme or support measure or type of operation. The date shall be at least 15 calendar days before the date when the payment of the first instalment or the advances is to be made in accordance with Article 75 of Regulation (EU) No 1306/2013.

Such notifications shall be made in writing or via the geo-spatial aid application form.

3. Where the competent authority has already informed the beneficiary of any case of non-compliance in the single application or payment claim or where it has given notice to the beneficiary of its intention to carry out an on-the-spot check or where an on-the-spot check reveals any non-compliance, amendments in accordance with paragraph 1 shall not be authorised in respect of the agricultural parcels affected by the non-compliance.

For the purposes of the first subparagraph, the obligation provided in point (d) of Article 40a(1) shall not be considered as a notice to the beneficiary of a competent authority's intention to carry out an on-the-spot check.]

## *Article 17*

### **Specific requirements pertaining to aid applications for area-related aid schemes and payment claims for area-related support measures**

[<sup>F21</sup> For the purpose of the identification of all agricultural parcels on the holding and/or non-agricultural land as referred to in Article 14(1)(d) and (e), the competent authority shall provide the beneficiary with the geo-spatial aid application form.]

2. Paragraph 1 shall apply as follows:

*Status: Point in time view as at 30/06/2020.*

*Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) No 809/2014. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details)*

- (a) As from claim year 2016, to a number of beneficiaries corresponding to that required to cover at least 25 % of the total area determined for the basic payment scheme or the single area payment scheme in the previous year;
- (b) As from claim year 2017, to a number of beneficiaries corresponding to that required to cover at least 75 % of the total area determined for the basic payment scheme or the single area payment scheme in the previous year;
- (c) As from claim year 2018, to all beneficiaries.

3. Where the beneficiary is not in the position to submit the aid application and/or payment claim using the geo-spatial aid application form, the competent authority shall provide the beneficiary with either:

- (a) the required technical assistance; or
- (b) the pre-established forms and the corresponding graphic material in paper. In this case, the competent authority shall transcribe the information received from the beneficiary into the geo-spatial aid application form.

4. The pre-established forms provided to the beneficiary shall specify the maximum eligible area per reference parcel in accordance with points (a) and (b) of Article 5(2) of Delegated Regulation (EU) No 640/2014 and the area determined in the previous year per agricultural parcel for the purposes of the basic payment scheme [F<sup>21</sup>, the single area payment scheme] and/or area-related rural development measure.

The graphic material supplied to the beneficiary in accordance with Article 72(3) of Regulation (EU) No 1306/2013 shall indicate the boundaries and the unique identification of the reference parcels as referred to in Article 5(1) of Delegated Regulation (EU) No 640/2014 and the boundaries of the agricultural parcels determined in the previous year as to enable the beneficiary to indicate correctly the size and location of each agricultural parcel. As from claim year 2016, it shall also indicate the type, size and location of the ecological focus areas determined in the previous year.

5. The beneficiary shall unambiguously identify and declare the area of each agricultural parcel and, where applicable, the type, size and location of the ecological focus areas. With regard to the greening payment, the beneficiary shall also specify the use of the agricultural parcels declared.

For this purpose, the beneficiary may confirm the information already provided in the pre-established form. However, where the information on the area, location or boundary of the agricultural parcel or, where applicable, the size and location of the ecological focus areas is not correct or is incomplete, the beneficiary shall correct or make changes to the pre-established form.

The competent authority shall assess on the basis of the corrections or complements provided by the beneficiaries in the pre-established form whether an update of the corresponding reference parcel is required, having regard to Article 5(3) of Delegated Regulation (EU) No 640/2014.

6. Where the beneficiary is carrying out equivalent practices in accordance with Article 43(3)(a) of Regulation (EU) No 1307/2013 through commitments undertaken in accordance with Article 39(2) of Council Regulation (EC) No 1698/2005<sup>(1)</sup> or Article 28(2) of Regulation (EU) No 1305/2013, the commitment shall be indicated in the aid application with reference to the corresponding payment claim.

*Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) No 809/2014. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details)*

Where the beneficiary is carrying out equivalent practices through national or regional environmental certification schemes in accordance with Article 43(3)(b) of Regulation (EU) No 1307/2013, paragraphs 4 and 5 of this Article shall apply *mutatis mutandis* as regards the pre-established form and the declaration by the beneficiary.

For the purpose of regional or collective implementations in accordance with Article 46(5) and 46(6) of Regulation (EU) No 1307/2013 and for the part of the ecological focus area obligations that the beneficiaries have to fulfil individually, beneficiaries participating in such regional or collective implementations shall unambiguously identify and declare, in respect of each agricultural parcel, the type, size and location of the ecological focus area in accordance with paragraph 5 of this Article. In their aid application or payment claim beneficiaries shall make reference to the declaration of a regional or collective implementation as referred to in Article 18 of this Regulation.

7. For areas used for the production of hemp in accordance with Article 32(6) of Regulation (EU) No 1307/2013, the single application shall contain:

- (a) all information required for the identification of the parcels sown with hemp, indicating the varieties of seed used;
- (b) an indication as to the quantities of the seeds used (kg per hectare);
- (c) <sup>F22</sup>the official labels used on the packaging of the seeds in accordance with Council Directive 2002/57/EC<sup>(2)</sup>, and in particular Article 12 thereof, or any other document recognised as equivalent by the <sup>F23</sup>Member State<sup>[F23]</sup> <sup>F23</sup>relevant authority]; or, in the case of conservation varieties certified in accordance with Commission Directive 2008/62/EC<sup>(3)</sup>, the supplier's labels or the printed or stamped notice used on the packaging of the seeds of conservation varieties as referred to in Article 18 of that Directive.]

<sup>F24</sup>By way of derogation from point (c) of the first subparagraph, where sowing takes place after the final date for submitting the single application, the labels shall be submitted by 30 June at the latest. However, for hemp cultivated as catch crop, the labels shall be submitted by a date to be fixed by the <sup>F25</sup>Member States<sup>[F25]</sup> <sup>F25</sup>relevant authority] but not later than 1 September. Where the labels also have to be submitted to other <sup>F26</sup>national] authorities, the <sup>F25</sup>Member States<sup>[F25]</sup> <sup>F25</sup>relevant authority] may provide for those labels to be returned to the beneficiary once they have been submitted in accordance with that point. The labels returned shall be marked as used for an application.]

<sup>F27</sup>8. For the crop specific payment for cotton provided for in Chapter 2 of Title IV of Regulation (EU) No 1307/2013, the single application shall contain:

- (a) the name of the variety of cotton seed used;
- (b) where appropriate, the name and address of the approved inter-branch organisation of which the beneficiary is a member.]

9. Areas that are not used for the purposes of the aid schemes provided for in <sup>F28</sup>Titles III, IV and V<sup>[F28]</sup> <sup>F28</sup>Titles III and IV] of Regulation (EU) No 1307/2013 or for the support schemes in the wine sector as referred to in Regulation (EC) No 1308/2013 shall be declared under one or more 'other uses' headings.

#### Requirements pertaining to livestock aid application and to payment claims under animal-related support measures

1. A livestock aid application as defined in point (15) of the second subparagraph of Article 2(1) of Delegated Regulation (EU) No 640/2014 or payment claim under animal-related support measures as defined in point (14) of the second subparagraph of Article 2(1) of that Regulation shall contain all information necessary to establish eligibility for the aid and/or support, and in particular:

*Status: Point in time view as at 30/06/2020.*

*Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) No 809/2014. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details)*

- (a) the identity of the beneficiary;
- (b) a reference to the single application if it has already been submitted;
- (c) the number of animals of each type in respect of which a livestock aid application or a payment claim is being submitted and, for bovines, the identification code of the animals;
- (d) where applicable, an undertaking by the beneficiary to keep the animals referred to in point (c) on his holding during a period, determined by the [F32 Member State][F32 relevant authority], and information on the location or locations where the animals will be held including the period concerned;
- (e) where appropriate, any supporting documents needed to establish the eligibility for the scheme or measure concerned;
- (f) a statement by the beneficiary that he is aware of the conditions pertaining to the aid and/or support in question.

2. Every animal keeper shall have the right to obtain from the competent authority without constraint, at reasonable intervals and without excessive delay, information on the data relating to him and his animals kept in the computerised database for animals. When submitting his livestock aid application or payment claim, the beneficiary shall declare that that data is correct and complete or he shall rectify incorrect or complete missing data.

3. [F33 Member States][F33 A relevant authority] may decide that some of the information referred to in paragraph 1 need not to be included in the livestock aid application or payment claim, where it has already been communicated to the competent authority.

4. [F34 Member States][F34 A relevant authority] may introduce procedures by which data contained in the computerised database for animals may be used for the purposes of the livestock aid application or payment claim, provided that the computerised database for animals offers the level of assurance and implementation necessary for the proper management of the aid schemes or support measures involved at the level of individual animals.

The procedures referred to in the first subparagraph may consist of a system according to which a beneficiary may apply for aid and/or support in respect of all animals which, at a date or during a period determined by the [F35 Member State][F35 relevant authority], qualify for aid and/or support on the basis of the data contained in the computerised database for animals.

In that case, [F36 Member States][F36 the relevant authority] shall take the necessary measures to guarantee that:

- (a) in accordance with the provisions applicable to the aid scheme and/or support measure in question, the date or the period referred to in the second subparagraph are clearly identified and known to the beneficiary;
- (b) the beneficiary is aware that any potentially eligible animals found not to be correctly identified or registered in the system for the identification and registration for animals shall count as animals found with non-compliances as referred to in Article 31 of Delegated Regulation (EU) No 640/2014.

#### Article 23

#### Recovery of undue payment entitlements

1. Where, after payment entitlements have been allocated to beneficiaries in accordance with Regulation (EU) No 1307/2013, it is established that the number of payment entitlements allocated was too high, the number of allocated payment entitlements in excess shall revert to the national reserve or regional reserves referred to in Article 30 of Regulation (EU) No 1307/2013.

*Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) No 809/2014. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details)*

---

Where the error referred to in the first subparagraph was made by the competent authority or by another authority and if the error could not reasonably have been detected by the beneficiary, the value of the remaining payment entitlements allocated to that beneficiary shall be adjusted accordingly.

Where the beneficiary concerned by the allocation of a too high number of payment entitlements, meanwhile, has transferred payment entitlements to other beneficiaries, the transferees shall also be bound by the obligation provided for in the first subparagraph in proportion to the number of payment entitlements which have been transferred to them if the beneficiary to whom the payment entitlements had initially been allocated does not have a sufficient number of payment entitlements at his disposal to cover the number of undue payment entitlements.

2. Where, after payment entitlements have been allocated to beneficiaries in accordance with Regulation (EU) No 1307/2013, it is established that the payments received by a beneficiary for 2014 as referred to in the first subparagraph of Article 26(2) of that Regulation [<sup>F44</sup>(as it had effect immediately before exit day)], or the value of the payment entitlements held by a beneficiary on the date of submission of his application for 2014 as referred to in the first subparagraph of Article 26(3) of that Regulation [<sup>F45</sup>(as it had effect immediately before exit day)], or the unit value of the payment entitlements as referred to in Article 26(5) of that Regulation [<sup>F46</sup>(as it had effect immediately before exit day)], or the increase of the unit value of payment entitlements as provided for in Article 30(10) of that Regulation [<sup>F47</sup>, or the total value of aid received by a beneficiary for the calendar year preceding the implementation of the basic payment scheme as referred to in the first subparagraph of Article 40(3) of that Regulation], were too high, the value of those payment entitlements based on the incorrect reference for the beneficiary concerned shall be adjusted accordingly.

That adjustment shall also be carried out in respect of payment entitlements which have, meanwhile, been transferred to other beneficiaries.

The value of the reduction shall revert to the national reserve or regional reserves referred to in Article 30 of Regulation (EU) No 1307/2013.

3. Where, after payment entitlements have been allocated to beneficiaries in accordance with Regulation (EU) No 1307/2013, it is established that for the same beneficiary, both the situation referred to in paragraph 1 and that referred to in paragraph 2 occurred, the adjustment of the value of all payment entitlements as referred to in paragraph 2 shall be made before the undue payment entitlements revert to the national reserve or regional reserves in accordance with paragraph 1.

4. The adjustments of the number and/or value of payment entitlements provided for in this Article shall not lead to a systematic recalculation of the remaining payment entitlements.

5. [<sup>F48</sup>Member States][<sup>F48</sup>The relevant authority] may decide not to recover undue payment entitlements where the total value of those payment entitlements as set out in the electronic register for identification and registration of payment entitlements at the time the verifications in view of making the adjustments provided for in this Article take place is EUR 50 or less for any of the years in which the basic payment scheme is implemented in accordance with Regulation (EU) No 1307/2013.

Undue amounts paid in respect of the claim years preceding the adjustments shall be recovered in accordance with Article 7 of this Regulation. When determining such undue amounts, account shall be taken of the impact of the adjustments provided for in this Article on the number and, where relevant, the value of the payment entitlements for all the years concerned.
