

Commission Implementing Regulation (EU) No 828/2014 of 30 July 2014
on the requirements for the provision of information to consumers on the
absence or reduced presence of gluten in food (Text with EEA relevance)

Article 3

Information to consumers

- 1 Where statements are used to provide information to consumers on the absence or reduced presence of gluten in food, such information shall be given only through the statements and in accordance with the conditions set out in the Annex.
- 2 The food information referred to in paragraph 1 may be accompanied by the statements ‘suitable for people intolerant to gluten’ or ‘suitable for coeliacs’.
- 3 The food information referred to in paragraph 1 may be accompanied by the statements ‘specifically formulated for people intolerant to gluten’ or ‘specifically formulated for coeliacs’ if the food is specially produced, prepared and/or processed to:
 - a reduce the gluten content of one or more gluten-containing ingredients; or
 - b substitute the gluten-containing ingredients with other ingredients naturally free of gluten.

Changes to legislation:

There are currently no known outstanding effects for the Commission Implementing Regulation (EU) No 828/2014, Article 3.
