3 Within 30 working days from the receipt of the application, the competent authority shall assess whether the application is complete. 9 ESMA shall, in close cooperation with the members of the ESCB, develop draft regulatory technical standards to specify the information that the applicant CSD is to provide to the competent authority in the application for authorisation.

Effects of the authorisation

1 The activities of the authorised CSD shall be limited to the provision of services covered by its authorisation or by notification in accordance with Article 19(8).

2 Securities settlement systems may be operated only by authorised CSDs, including central banks acting as CSDs.

3 An authorised CSD may have a participation only in a legal person whose activities are limited to the provision of services listed in Sections A and B of the Annex, unless such a participation is approved by its competent authority on the basis that it does not significantly increase the risk profile of the CSD.

4 ESMA shall, in close cooperation with the members of the ESCB, develop draft regulatory technical standards to specify the criteria to be taken into account by the competent authorities to approve the participation of CSDs in legal persons other than those providing the services listed in Sections A and B of the Annex. Such criteria may include whether the services provided by that legal person are complementary to the services provided by a CSD, and the extent of the CSD's exposure to liabilities arising from such participation.

ESMA shall submit those draft regulatory technical standards to the Commission by 18 June 2015.

Power is delegated to the Commission to adopt the regulatory technical standards referred to in the first subparagraph in accordance with Articles 10 to 14 of Regulation (EU) No 1095/2010.

Those authorities shall consult each other regarding the approval of the CSD link. In the event of divergent decisions and if agreed by both competent authorities the matter may be referred to ESMA, which may act in accordance with the powers conferred on it under Article 19 of Regulation (EU) No 1095/2010.

4 The authorities referred to in paragraph 3 shall refuse to authorise a link only where such a CSD link would threaten the smooth and orderly functioning of the financial markets or cause systemic risk.

5 Interoperable links of CSDs that outsource some of their services related to those interoperable links to a public entity in accordance with Article 30(5) and CSD links that are not referred to in point (e) of paragraph 1 shall not be subject to authorisation under that point but shall be notified to the CSDs' competent and relevant authorities prior to their implementation by providing all relevant information that allows such authorities to assess compliance with the requirements provided in Article 48.

6 A CSD established and authorised in the Union may maintain or establish a link with a third-country CSD in accordance with the conditions and procedures provided in this Article. Where links are established with a third-country CSD the information provided by the requesting CSD shall allow the competent authority to evaluate whether such links fulfil the requirements provided in Article 48 or the requirements that are equivalent to those provided in Article 48.

7 The competent authority of the requesting CSD shall require that CSD to discontinue a CSD link that has been notified when such link does not fulfil the requirements provided for in Article 48 and thereby would threaten the smooth and orderly functioning of the financial markets or cause systemic risk. Where a competent authority requires the CSD to discontinue a CSD link, it shall follow the procedure laid down in Article 20(2) and (3).

8 The additional ancillary services explicitly listed in Section B of the Annex shall not be subject to authorisation, but shall be notified to the competent authority prior to their provision.

3 ESMA and any relevant authority and, where applicable, the authority referred to in Article 67 of Directive 2014/65/EU may, at any time, request that the competent authority of the home Member State examines whether the CSD still complies with the conditions under which the authorisation was granted.

4 The competent authority may limit the withdrawal of authorisation to a particular service, activity, or financial instrument.
