

Regulation (EU) No 910/2014 of the European Parliament and of the Council  
of 23 July 2014 on electronic identification and trust services for electronic  
transactions in the internal market and repealing Directive 1999/93/EC

CHAPTER III  
**TRUST SERVICES**

*SECTION 4*  
***Electronic signatures***

*Article 30*

**Certification of qualified electronic signature creation devices**

- 1 Conformity of qualified electronic signature creation devices with the requirements laid down in Annex II shall be certified by appropriate public or private bodies designated by Member States.
- 2 Member States shall notify to the Commission the names and addresses of the public or private body referred to in paragraph 1. The Commission shall make that information available to Member States.
- 3 The certification referred to in paragraph 1 shall be based on one of the following:
  - a a security evaluation process carried out in accordance with one of the standards for the security assessment of information technology products included in the list established in accordance with the second subparagraph; or
  - b a process other than the process referred to in point (a), provided that it uses comparable security levels and provided that the public or private body referred to in paragraph 1 notifies that process to the Commission. That process may be used only in the absence of standards referred to in point (a) or when a security evaluation process referred to in point (a) is ongoing.

The Commission shall, by means of implementing acts, establish a list of standards for the security assessment of information technology products referred to in point (a). Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 48(2).

- 4 The Commission shall be empowered to adopt delegated acts in accordance with Article 47 concerning the establishment of specific criteria to be met by the designated bodies referred to in paragraph 1 of this Article.
