

Commission Implementing Regulation (EU) 2015/175 of 5 February 2015 laying down special conditions applicable to the import of guar gum originating in or consigned from India due to contamination risks by pentachlorophenol and dioxins (Text with EEA relevance) (repealed)

*Article 5*

**Health certificate**

- 1 The consignments referred to in Article 1(1) and (2) shall be accompanied by a health certificate corresponding to the model set out in the Annex.
- 2 The health certificate shall be completed, signed and verified by an authorised representative of the competent authority of the country of origin, the Ministry of Commerce and Industry of India, or of the country where the consignment is consigned from if that country is different from the country of origin.
- 3 The health certificate shall be drawn up in one of the official languages of the Member State where the designated point of entry is located. However, a Member State may consent that health certificates be drawn up in another official language of the Union.
- 4 The health certificate shall be valid for four months from the date of its issue.

**Status:**

Point in time view as at 05/02/2015. This version of this provision has been superseded.

**Changes to legislation:**

There are currently no known outstanding effects for the Commission Implementing Regulation (EU) 2015/175 (repealed), Article 5.
