8 Import rights shall be valid from the first day of the subperiod for which the application has been submitted until the end of the annual quota period. Import rights shall not be transferable.

4 Each issuing of an import licence shall result in a corresponding reduction of the import rights obtained and the security lodged in accordance with Article 3(2) shall be released proportionally without delay.

5 Import licences shall be issued upon application by and in the name of the operator who has obtained the import rights.

6 Import licence applications shall refer to only one order number. They may concern several products covered by different CN codes. In that case, all the CN codes and their descriptions shall be entered in boxes 15 and 16 of the licence application and the licence respectively.
