

COMMISSION IMPLEMENTING REGULATION (EU) 2015/2079**of 18 November 2015****opening and providing for the administration of a Union import tariff quota for fresh and frozen beef and veal originating in Ukraine**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1308/2013 of the European Parliament and of the Council of 17 December 2013 establishing a common organisation of the markets in agricultural products and repealing Council Regulations (EEC) No 922/72, (EEC) No 234/79, (EC) No 1037/2001 and (EC) No 1234/2007 ⁽¹⁾, and in particular points (a), (c) and (d) of Article 187 thereof,

Whereas:

- (1) By Council Decision 2014/668/EU ⁽²⁾, the Council authorised the signing, on behalf of the European Union, and provisional application, of the Association Agreement between the European Union and its Member States, of the one part, and the Ukraine, of the other part (‘the Agreement’). That Agreement provides for the elimination of customs duties on imports of goods originating in Ukraine in accordance with its Annex I-A to Chapter I. The Appendix to that Annex provides for a Union tariff quota for beef and veal.
- (2) Pending the entry into force of the Agreement, in accordance with Regulation (EU) No 374/2014 of the European Parliament and of the Council ⁽³⁾, the import tariff quota for beef and veal for 2014 and 2015 was opened and managed in accordance with Commission Implementing Regulation (EU) No 411/2014 ⁽⁴⁾.
- (3) The Agreement will be provisionally applied as of 1 January 2016. It is therefore necessary to open annual import tariff quota periods from 1 January 2016 onwards. In order to give due weight to the supply requirements of the existing and emerging production, processing and consumption market in the Union beef and veal sector in terms of competitiveness, certainty and continuity of supply and the need to safeguard the equilibrium of that market, it is appropriate that those quotas are administered by the Commission in accordance with Article 184(2)(b) of Regulation (EU) No 1308/2013.
- (4) Article 6(3) of Commission Regulation (EC) No 1301/2006 ⁽⁵⁾ provides that the Commission Regulations governing a given import tariff quota may provide for the application of a system according to which the quotas are managed by attributing import rights as a first step and issuing import licences as a second. Such a system would allow operators that have obtained import rights to decide, during the quota period and based upon their actual trade flows, at what moment they wish to apply for import licences.
- (5) Commission Regulation (EC) No 376/2008 ⁽⁶⁾ and Commission Regulation (EC) No 382/2008 ⁽⁷⁾ lay down common detailed rules for the application of the system of import and export licences and advance fixing certificates for agricultural products and on application for import and export licences in the beef and veal sector, respectively. Those Regulations should apply to import licences issued in accordance with this Regulation, save where derogations are appropriate.

⁽¹⁾ OJ L 347, 20.12.2013, p. 671.

⁽²⁾ Council Decision 2014/668/EU of 23 June 2014 on the signing, on behalf of the European Union, and provisional application of the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and Ukraine, of the other part, as regards Title III (with the exception of the provisions relating to the treatment of third-country nationals legally employed as workers in the territory of the other Party) and Titles IV, V, VI and VII thereof, as well as the related Annexes and Protocols (OJ L 278, 20.9.2014, p. 1).

⁽³⁾ Regulation (EU) No 374/2014 of the European Parliament and of the Council of 16 April 2014 on the reduction or elimination of customs duties on goods originating in Ukraine (OJ L 118, 22.4.2014, p. 1).

⁽⁴⁾ Commission Implementing Regulation (EU) No 411/2014 of 23 April 2014 opening and providing for the administration of a Union import tariff quota for fresh and frozen beef and veal originating in Ukraine (OJ L 121, 24.4.2014, p. 27).

⁽⁵⁾ Commission Regulation (EC) No 1301/2006 of 31 August 2006 laying down common rules for the administration of import tariff quotas for agricultural products managed by a system of import licences (OJ L 238, 1.9.2006, p. 13).

⁽⁶⁾ Commission Regulation (EC) No 376/2008 of 23 April 2008 laying down common detailed rules for the application of the system of import and export licences and advance fixing certificates for agricultural products (OJ L 114, 26.4.2008, p. 3).

⁽⁷⁾ Commission Regulation (EC) No 382/2008 of 21 April 2008 on rules of application for import and export licences in the beef and veal sector (OJ L 115, 29.4.2008, p. 10).

- (6) Furthermore, the provisions of Regulation (EC) No 1301/2006 which concern applications for import rights, the status of applicants and the issue of import licences should apply to import licences issued pursuant to this Regulation, without prejudice to additional conditions laid down in this Regulation.
- (7) For appropriate administration of the tariff quotas, a security should be lodged at the time of submission of an import rights application.
- (8) Operators should be obliged to apply for import licences for all the import rights allocated, respecting the obligation referred to in Article 23(1) of Commission Delegated Regulation (EU) No 907/2014 ⁽¹⁾.
- (9) Commission Implementing Regulation (EU) No 1001/2013 ⁽²⁾ has replaced some CN codes in Annex I to Council Regulation (EEC) No 2658/87 ⁽³⁾ by new CN codes which now differ from those referred to in the Appendix to Annex I-A to Chapter I of the Agreement. The new CN codes should therefore be reflected in Annex I to this Regulation.
- (10) The measures provided for in this Regulation are in accordance with the opinion of the Committee for the Common Organisation of the Agricultural Markets,

HAS ADOPTED THIS REGULATION:

1. Applications for import rights shall be submitted in the first seven days of the month preceding each of the subperiods referred to in Article 2.
2. A security of EUR 6 per 100 kilograms net weight shall be lodged at the time of submission of an import rights application.
3. Applicants for import rights shall, when presenting their first application for a given quota year, submit the proof that a quantity of beef falling under CN codes 0201 or 0202 has been imported by them or on their behalf under the relevant customs provisions ('the reference quantity'). Such proof shall relate to the 12 months' period ending 1 month before their first application. A company formed by the merger of companies, each having imported reference quantities, may use those reference quantities as basis for its application.

8. Import rights shall be valid from the first day of the subperiod for which the application has been submitted until the end of the annual quota period. Import rights shall not be transferable.

2. Import licence applications shall cover the total quantity of import rights allocated. The obligation referred to in Article 23(1) of Delegated Regulation (EU) No 907/2014 shall be respected.
3. Import licence applications shall be submitted only in the Member State where the applicant has applied for and obtained import rights under the import tariff quota referred to in Article 1(1).
4. Each issuing of an import licence shall result in a corresponding reduction of the import rights obtained and the security lodged in accordance with Article 3(2) shall be released proportionally without delay.
5. Import licences shall be issued upon application by and in the name of the operator who has obtained the import rights.
6. Import licence applications shall refer to only one order number. They may concern several products covered by different CN codes. In that case, all the CN codes and their descriptions shall be entered in boxes 15 and 16 of the licence application and the licence respectively.

The term of validity of the import licences shall, however, expire on 31 December of each import tariff quota period at the latest.
