

Regulation (EU) 2016/1037 of the European Parliament and of the Council of 8 June 2016 on protection against subsidised imports from countries not members of the European Union (codification)

Article 14

Termination without measures

1 Where the complaint is withdrawn, proceedings may be terminated unless such termination would not be in the Union interest.

2 Where protective measures are unnecessary, the investigation or proceedings shall be terminated. The Commission shall terminate the investigation in accordance with the examination procedure referred to in Article 25(3).

3 There shall be immediate termination of the proceedings where it is determined that the amount of countervailable subsidies is *de minimis*, in accordance with paragraph 5, or where the volume of subsidised imports, actual or potential, or the injury, is negligible.

4 For proceedings initiated pursuant to Article 10(11), injury shall normally be regarded as negligible where the market share of the imports is less than the amounts set out in Article 10(9). With regard to investigations concerning imports from developing countries, the volume of subsidised imports shall also be considered negligible if it represents less than 4 % of the total imports of the like product in the Union, unless imports from developing countries whose individual shares of total imports represent less than 4 % collectively account for more than 9 % of the total imports of the like product in the Union.

[^{F15} The amount of the countervailable subsidies shall be considered to be *de minimis* if such amount is less than 1 % *ad valorem*. However, as regards investigations concerning imports from developing countries, the *de minimis* threshold shall be 2 % *ad valorem*.]
