

Regulation (EU) 2016/2031 of the European Parliament of the Council of 26 October 2016 on protective measures against pests of plants, amending Regulations (EU) No 228/2013, (EU) No 652/2014 and (EU) No 1143/2014 of the European Parliament and of the Council and repealing Council Directives 69/464/EEC, 74/647/EEC, 93/85/EEC, 98/57/EC, 2000/29/EC, 2006/91/EC and 2007/33/EC

CHAPTER VI

Certification of plants, plant products and other objects

Section 1

Phytosanitary certificates required for the introduction of plants, plant products and other objects into [F1 Great Britain]

Article 75

Exceptions for travellers' luggage

1 Small quantities of particular plants, other than plants for planting, and of plant products and other objects from a third country may be exempted from the requirement for a phytosanitary certificate set out in ^{F1}... Article 72(1), Article 73 or Article 74(1), if they comply with all of the following conditions:

- a they are introduced into [^{F2}Great Britain] as part of travellers' personal luggage;
- b they are not to be used for professional or commercial purposes;
- c they are listed in [^{F3}regulations made under] paragraph 2 of this Article.

2 The [^{F4}appropriate authority may by regulations] list the plants, plant products and other objects referred to in paragraph 1 and the third countries concerned, and set out the maximum quantity, as appropriate, of the plants, plant products and other objects concerned that are to be subject to the exemption of that paragraph and, where appropriate, one or more of the risk management measures set out in Section 1 of Annex II.

That listing and the setting out of the maximum quantity concerned and, where appropriate, the risk management measures shall be decided on the basis of the pest risk posed by small quantities of those plants, plant products and other objects, in accordance with the criteria set out in Section 2 of Annex II.
