

Regulation (EU) 2016/424 of the European Parliament and of the Council of 9 March 2016 on cableway installations and repealing Directive 2000/9/EC (Text with EEA relevance)

CHAPTER I

GENERAL PROVISIONS

Article 9

Authorisation of cableway installations

^{F1}1

2 The person responsible for the cableway installation^{F2}... shall submit the safety report referred to in Article 8, the [^{F3}declaration] of conformity and the other documents relating to the conformity of subsystems and safety components as well as the documentation concerning the characteristics of the cableway installation to the authority or body responsible for authorising the cableway installation. The documentation concerning the cableway installation shall also include the necessary conditions, including the restrictions on operation, and full details for servicing, supervision, adjustment and maintenance of the cableway installation. A copy of those documents shall be kept at the cableway installation.

3 In the event that important characteristics, subsystems or safety components of existing cableway installations undergo modifications for which a new authorisation for entry into service is required by the [^{F4}Secretary of State], such modifications and their repercussions on the cableway installation as a whole shall satisfy the essential requirements set out in Annex II.
