CHAPTER II

ORGANISATIONAL REQUIREMENTS

SECTION 3

Conflicts of interest

Article 42

Additional requirements in relation to lending or provision of credit in the context of underwriting or placement ^{F1}...

1 Where any previous lending or credit to the issuer client by an investment firm, or an entity within the same group, may be repaid with the proceeds of an issue, the investment firm shall have arrangements in place to identify and prevent or manage any conflicts of interest that may arise as a result.

2 Where the arrangements taken to manage conflicts of interest prove insufficient to ensure that the risk of damage to the issuer client would be prevented, investment firms shall disclose to the issuer client the specific conflicts of interest that have arisen in relation to their, or group entities', activities in a capacity of credit provider, and their activities related to the securities offering.

3 Investment firms' conflict of interest policy shall require the sharing of information about the issuer's financial situation with group entities acting as credit providers, provided this would not breach information barriers set up by the firm to protect the interests of a client.
