

Commission Implementing Regulation (EU) 2018/2067 of
19 December 2018 on the verification of data and on the accreditation
of verifiers pursuant to Directive 2003/87/EC of the European
Parliament and of the Council (Text with EEA relevance)

CHAPTER III **U.K.**

REQUIREMENTS FOR VERIFIERS

Article 37 **U.K.**

Verification teams

1 For each particular verification engagement, the verifier shall assemble a verification team capable of performing the verification activities referred to in Chapter II.

2 The verification team shall at least consist of an EU ETS lead auditor, and, where the verifier's conclusions during the assessment referred to in Article 8(1)(e) and the strategic analysis so require, a suitable number of EU ETS auditors and technical experts.

3 For the independent review of the verification activities related to a particular verification engagement, the verifier shall appoint an independent reviewer who shall not be part of the verification team.

4 Each team member shall:

- a have a clear understanding of their individual role in the verification process;
- b be able to communicate effectively in the language necessary to perform their specific tasks.

5 The verification team shall include at least one person with the technical competence and understanding required to assess the specific technical monitoring and reporting aspects related to the activities referred to in Annex I that are carried out by the installation or aircraft operator. The verification team shall also include one person who is able to communicate in the language required for the verification of an operator's or aircraft operator's report in the Member State where the verifier is carrying out that verification.
