

Council Regulation (EU) 2018/647 of 26 April 2018 amending Regulation (EU) No 401/2013 concerning restrictive measures in respect of Myanmar/Burma

COUNCIL REGULATION (EU) 2018/647

of 26 April 2018

amending Regulation (EU) No 401/2013 concerning restrictive measures in respect of Myanmar/Burma

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 215 thereof,

Having regard to Council Decision 2013/184/CFSP of 22 April 2013 concerning restrictive measures against Myanmar/Burma and repealing Decision 2010/232/CFSP⁽¹⁾,

Having regard to the joint proposal of the High Representative of the Union for Foreign Affairs and Security Policy and of the European Commission,

Whereas:

- (1) On 26 February 2018, the Council adopted conclusions condemning the ongoing widespread, systematic grave human rights violations committed by the Myanmar/Burma military and security forces and calling on the Government of Myanmar/Burma and the security forces to ensure that security, the rule of law and accountability prevail in Rakhine, Kachin and Shan States.
- (2) In this context the Council adopted Decision (CFSP) 2018/655⁽²⁾ amending Decision 2013/184/CFSP, whereby it imposed further restrictive measures on Myanmar/Burma in the form of a prohibition on the export of dual-use goods for military and Border Guard Police end-users, restrictions on the export of equipment for monitoring communications that might be used for internal repression, and targeted restrictive measures against certain natural persons from the Myanmar Armed Forces (Tatmadaw) and the Border Guard Police responsible for serious human rights violations, responsible for obstructing the provision of humanitarian assistance to civilians in need and responsible for obstructing the conduct of independent investigations into alleged serious human rights violations or abuses, as well as persons, entities or bodies associated with them.
- (3) Council Regulation (EU) No 401/2013⁽³⁾ gives effect to the measures provided for in Decision 2013/184/CFSP. Certain measures provided for in Decision (CFSP) 2018/655 fall within the scope of the Treaty and therefore, with a view, in particular, to ensuring their uniform application by economic operators in all Member States, regulatory action at the level of the Union is necessary in order to implement them.
- (4) The passage of humanitarian assistance for civilians in need, subject to control of the parties to the conflict and in accordance with international humanitarian law, should

not be impeded. It is thus appropriate to apply restrictions on natural persons from the Myanmar Armed Forces (Tatmadaw) responsible for obstructing the rapid and unimpeded passage of humanitarian assistance for civilians in need. Such restrictions should not unduly affect the delivery of humanitarian assistance and should be applied in full consideration of human rights law and of the applicable rules of international humanitarian law.

- (5) Regulation (EU) No 401/2013 should therefore be amended accordingly.
- (6) This Regulation respects the fundamental rights and observes the principles recognised in particular by the Charter of Fundamental Rights of the European Union, in particular the right to an effective remedy and a fair trial and the right to the protection of personal data. This Regulation should be applied in accordance with those rights.
- (7) The power to amend the list in Annex IV to Regulation (EU) No 401/2013 should be exercised by the Council in order to ensure consistency with the process for amending and reviewing the Annex to Decision (CFSP) 2018/655.
- (8) For the implementation of this Regulation, and in order to create maximum legal certainty within the Union, the names and other relevant data concerning natural and legal persons, entities and bodies whose funds and economic resources are to be frozen in accordance with this Regulation should be made public. Any processing of personal data should comply with Regulation (EC) No 45/2001 of the European Parliament and of the Council⁽⁴⁾ and Directive 95/46/EC of the European Parliament and of the Council⁽⁵⁾.
- (9) In order to ensure that the measures provided for in this Regulation are effective, it should enter into force immediately,
