

Commission Implementing Regulation (EU) 2019/1013 of 16 April 2019 on prior notification of consignments of certain categories of animals and goods entering the Union (Text with EEA relevance)

Article 1

Prior notification of consignments

1 The operator responsible for a consignment falling within the categories of animals and goods referred to in Article 47(1) of Regulation (EU) 2017/625 shall give prior notification, to the competent authority of the border control post of first arrival into the Union, at least one working day before the expected arrival of the consignment.

2 By way of derogation from paragraph 1, where logistical constraints prevent compliance with the time limit set out in that paragraph, the competent authorities of the border control posts may apply a period of prior notification of at least four hours before the expected arrival of the consignment.

3 By way of derogation from paragraph 1, the competent authorities of border control posts designated for imports of unprocessed logs and sawn and chipped wood in accordance with Article 4 of Commission Delegated Regulation (EU) 2019/1012 may apply a period of prior notification of up to five working days before the expected arrival of such consignments.

Changes to legislation:

There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2019/1013. Any changes that have already been made to the legislation appear in the content and are referenced with annotations.
