

COUNCIL REGULATION (EU) 2019/1890**of 11 November 2019****concerning restrictive measures in view of Turkey's unauthorised drilling activities in the Eastern Mediterranean**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 215 thereof,

Having regard to Council Decision (CFSP) 2019/1894 of 11 November 2019 concerning restrictive measures in view of Turkey's unauthorised drilling activities in the Eastern Mediterranean ⁽¹⁾,

Having regard to the joint proposal from the High Representative of the Union for Foreign Affairs and Security Policy and the European Commission,

Whereas:

- (1) On 11 November 2019, the Council adopted Decision (CFSP) 2019/1894 concerning restrictive measures in view of Turkey's unauthorised drilling activities in the Eastern Mediterranean. That Decision provides for the freezing of funds and economic resources of certain persons, entities or bodies responsible for or involved in, including by planning, preparing, for example by means of seismic surveys, participating in, directing, or assisting, drilling activities in relation to hydrocarbon exploration and production, or hydrocarbon extraction resulting from such activities, or providing financial, technical or material support for such activities, which have not been authorised by the Republic of Cyprus, within its territorial sea or in its exclusive economic zone or on its continental shelf, as well as of persons associated with them. Those natural and legal persons, entities and bodies are listed in the Annex to Decision (CFSP) 2019/1894.
- (2) As stated in Decision (CFSP) 2019/1894, those drilling activities infringe the sovereignty or sovereign rights and jurisdiction of the Republic of Cyprus in its territorial sea, exclusive economic zone and continental shelf and, when such activities are carried out in areas where the exclusive economic zone and continental shelf have not been delimited under international law with a State having an opposite coast, they jeopardise or hamper the reaching of a delimitation agreement. Those actions are contrary to the principles of the United Nations Charter, including the peaceful resolution of disputes, and they pose a threat to the interests and security of the Union. That Decision also stated that the Council had welcomed the invitation by the Government of Cyprus to negotiate with Turkey and noted that the delimitation of exclusive economic zones and of the continental shelf should be addressed through dialogue and negotiation in good faith, in full respect of international law and in accordance with the principle of good neighbourly relations.
- (3) This Regulation respects the fundamental rights and observes the principles recognised in particular by the Charter of Fundamental Rights of the European Union and notably the right to an effective remedy and to a fair trial and the right to the protection of personal data. This Regulation should be applied in accordance with those rights.
- (4) The power to establish and amend the list set out in Annex I to this Regulation should be exercised by the Council in order to ensure consistency with the process for establishing, amending and reviewing the Annex to Decision (CFSP) 2019/1894.
- (5) The procedure for amending the list set out in Annex I to this Regulation should include providing designated natural or legal persons, entities or bodies with the grounds for listing, so as to give them an opportunity to submit observations.

⁽¹⁾ See page 47 of this Official Journal.

- (6) For the implementation of this Regulation, and in order to ensure maximum legal certainty within the Union, the names of and other relevant data concerning natural and legal persons, entities and bodies whose funds and economic resources are frozen in accordance with this Regulation should be made public. Any processing of personal data should comply with Regulations (EU) 2016/679 ⁽²⁾ and (EU) 2018/1725 ⁽³⁾ of the European Parliament and of the Council.
- (7) These measures fall within the scope of the Treaty on the Functioning of the European Union and, therefore, notably with a view to ensuring its uniform application by economic operators in all Member States, regulatory action at the level of the Union is necessary in order to implement them.
- (8) Member States and the Commission should inform each other of the measures taken under this Regulation and of other relevant information at their disposal in connection with this Regulation.
- (9) Member States should lay down rules on penalties applicable to infringements of the provisions of this Regulation and make sure that they are implemented. Those penalties should be effective, proportionate and dissuasive,

- (a) the funds or economic resources will be used for a payment by a natural or legal person, entity or body listed in Annex I; and
 - (b) the payment is not in breach of Article 2(2).
2. The Member State concerned shall inform within two weeks the other Member States and the Commission of any authorisation granted under paragraph 1.
