

## ANNEX VI

### Technical documentation

.....  
**Modifications etc. (not altering text)**

**C1** Annex 6, as applied and modified by [S.I. 2020/1528](#), [Sch. 2](#), amended (1.10.2021) by [The Ecodesign for Energy-Related Products and Energy Information \(Amendment\) Regulations 2021 \(S.I. 2021/1097\)](#), regs. 1(2), 5(6)(7)

3. Where the information included in the technical documentation for a particular household washing machine or household washer-dryer model has been obtained by any of the following methods, or both:
- from a model that has the same technical characteristics relevant for the technical information to be provided but is produced by a different supplier,
  - by calculation on the basis of design or extrapolation from another model of the same or a different supplier,

the technical documentation shall include the details of such calculation, the assessment undertaken by suppliers to verify the accuracy of the calculation and, where appropriate, the declaration of identity between the models of different suppliers.

**Changes to legislation:**

There are currently no known outstanding effects for the Commission Delegated Regulation (EU) 2019/2014, Division 3..
