#### **Specific rules for the indication of wine grape varieties on grapevine products that do not bear a protected designation of origin or geographical indication**

For grapevine products referred to in points (1) to (9) and (16) of Part II of Annex VII to Regulation (EU) No 1308/2013 that do not bear a protected designation of origin or protected geographical indication and provided that the conditions laid down in Article 120(2) of that Regulation are complied with, Member States may decide to use the terms ‘varietal wine’ supplemented by one or both of the following:

- (a) the name of the Member State(s) concerned;
- (b) the name of the wine grape variety(-ies).

For grapevine products referred to in the first paragraph not bearing a protected designation of origin, protected geographical indication or not having a geographical indication of a third country which bear the name of one or more wine grape varieties on their labels, third countries may decide to use the terms ‘varietal wine’ supplemented by the name(s) of the third country(ies) concerned.

Article 45 of this Regulation shall not apply in relation to the indication of the name(s) of the Member State(s) or third country(ies).

In the case of the United Kingdom, the name of the Member State may be replaced by the name of the relevant individual country forming part of United Kingdom in which grapes used to make the grapevine products are harvested.
