Section 3

Use

Article 108

Record-keeping by owners and keepers of food-producing animals

- 1 Owners or, where the animals are not kept by the owners, keepers of food-producing animals shall keep records of the medicinal products they use and, if applicable, a copy of the veterinary prescription.
- 2 Records referred to in paragraph 1 shall include:
 - a date of the first administration of the medicinal product to the animals;
 - b name of the medicinal product;
 - c quantity of the medicinal product administered;
 - d name or company name and permanent address or registered place of business of the supplier;
 - e evidence of acquisition of the medicinal products they use;
 - f identification of the animal or group of animals treated;
 - g name and contact details of the prescribing veterinarian, if applicable;
 - h withdrawal period even if such period is zero;
 - i duration of treatment.
- 3 If the information to be recorded in accordance with paragraph 2 of this Article is already available on the copy of a veterinary prescription, in a record kept on the farm or for equine animals recorded in the single lifetime identification document referred to in Article 8(4), it does not need to be recorded separately.
- 4 Member States may lay down additional requirements for record-keeping by owners and keepers of food-producing animals.
- 5 The information contained in those records shall be available for inspections by the competent authorities in accordance with Article 123 for a period of at least five years.
