

Commission Implementing Regulation (EU) 2020/2002 of 7 December 2020 laying down rules for the application of Regulation (EU) 2016/429 of the European Parliament and of the Council with regard to Union notification and Union reporting of listed diseases, to formats and procedures for submission and reporting of Union surveillance programmes and of eradication programmes and for application for recognition of disease-free status, and to the computerised information system (Text with EEA relevance)

Article 10

Submission of eradication programmes

- 1 Member States shall submit to the Commission electronically, using the standard electronic templates provided for that purpose, for approval:
 - a their compulsory eradication programmes by 31 May of the year preceding the year of their start of application;
 - b their optional eradication programmes, at any time.
- 2 The eradication programmes referred to in paragraph 1 shall contain the relevant information laid down in:
 - a Section 1 of Annex VII for eradication programmes for category B and C diseases of terrestrial animals based on granting disease-free status at establishment level;
 - b Section 2 of Annex VII for eradication programmes for infection with RABV;
 - c Section 3 of Annex VII for eradication programmes for infection with BTV;
 - d Section 4 of Annex VII for eradication programmes for category B and C diseases of aquatic animals.

Changes to legislation:

There are currently no known outstanding effects for the Commission Implementing Regulation (EU) 2020/2002, Article 10.
