

Commission Implementing Regulation (EU) 2020/2002 of 7 December 2020 laying down rules for the application of Regulation (EU) 2016/429 of the European Parliament and of the Council with regard to Union notification and Union reporting of listed diseases, to formats and procedures for submission and reporting of Union surveillance programmes and of eradication programmes and for application for recognition of disease-free status, and to the computerised information system (Text with EEA relevance)

Article 12

Exchange of information on disease-free Member States, or zones and compartments thereof

- 1 The list of territories, zones or compartments with disease-free status as referred to in Article 38 of Regulation (EU) 2016/429 shall be compiled using the standard electronic template provided on the Commission's website.
- 2 Member States shall amend the list referred to in paragraph 1 within two working days, if the disease-free status of the territory, zones or compartments changes due to non-compliance with the requirements for the maintenance of that status.
- 3 Member States shall make the provisional declarations for zones or compartments for certain aquatic animal diseases as referred to in point (a) of Article 83(1) of Delegated Regulation (EU) 2020/689 using the standard electronic template provided on the Commission's website.

Changes to legislation:

There are currently no known outstanding effects for the Commission Implementing Regulation (EU) 2020/2002, Article 12.
