Commission Implementing Regulation (EU) 2020/2236 of 16 December 2020 laying down rules for the application of Regulations (EU) 2016/429 and (EU) 2017/625 of the European Parliament and of the Council as regards model animal health certificates for the entry into the Union and movements within the Union of consignments of aquatic animals and of certain products of animal origin from aquatic animals, official certification regarding such certificates and repealing Regulation (EC) No 1251/2008 (Text with EEA relevance)

ANNEX I

Annex I contains the following models animal health certificates:

MODEL

AQUA-INTRA-ESTAB	Chapter 1: Model animal health certificate for the movement within the Union of aquatic animals intended for aquaculture establishments
AQUA-INTRA-RELEASE	Chapter 2: Model animal health certificate for the movement within the Union of aquatic animals intended for release into the wild
AQUA-INTRA-HC	Chapter 3: Model animal health certificate for the movement within the Union of aquatic animals intended for human consumption
AQUA-INTRA-RESTRICT	Chapter 4: Model animal health certificate for the movement within the Union of aquatic animals subjected to movement restrictions or emergency measures regarding listed or emerging diseases
AQUA-INTRA-BAIT	Chapter 5: Model animal health certificate for the movement within the Union of aquatic animals intended for use as live fishing bait
PAO-AQUA-INTRA-PROCESS	Chapter 6: Model animal health certificate for the movement within the Union of products of animal origin from aquaculture animals other than live aquaculture animals, intended for further processing
PAO-AQUA-INTRA-RESTRICT	Chapter 7: Model animal health certificate for the movement within the Union of products of animal origin from aquaculture animals other than live aquaculture animals subjected to movement restrictions or emergency measures regarding listed or emerging diseases
