

Commission Delegated Regulation (EU) 2020/687 of 17 December 2019  
supplementing Regulation (EU) 2016/429 of the European  
Parliament and the Council, as regards rules for the prevention  
and control of certain listed diseases (Text with EEA relevance)

PART III U.K.

AQUATIC ANIMALS

CHAPTER I U.K.

*Disease control measures for category A diseases in aquaculture animals*

Section 1 U.K.

*Preliminary disease control measures in the event of  
suspicion of a category A disease in aquaculture animals*

Article 75 U.K.

**Temporary restricted zones around the establishment**

The competent authority may establish a temporary restricted zone around the establishment where there is a suspicion of category A disease and where preliminary disease control measures are applied as referred to in Article 72 and Article 73 taking into account the following circumstances:

- (a) the location of the establishment in an area with other establishments keeping aquaculture animals of listed species for which a category A disease is suspected;
- (b) the movement of animals in the vicinity of the suspected establishment;
- (c) the delay in confirming the category A disease pursuant to Article 77;
- (d) the insufficient information on the possible origin and routes of introduction of the suspected category A disease; and
- (e) the disease profile, in particular the routes and speed of transmission of the disease and the persistence of the disease in the relevant population of aquaculture animals of listed species.

**Changes to legislation:**

There are currently no known outstanding effects for the Commission Delegated Regulation (EU) 2020/687, Article 75.
