

Regulation (EU) 2020/740 of the European Parliament and of the Council of 25 May 2020 on the labelling of tyres with respect to fuel efficiency and other parameters, amending Regulation (EU) 2017/1369 and repealing Regulation (EC) No 1222/2009

Article 6

Obligations of tyre distributors

- 1 Distributors shall ensure that:
 - a at the point of sale, tyres bear a tyre label, in the form of a sticker, that complies with the requirements set out in Annex II, provided by the supplier in accordance with point (a) of Article 4(1) in a clearly visible position and legible in its entirety, and that the product information sheet is available, including, upon request, in printed form; or
 - b before the sale of a tyre that is part of a batch of one or more identical tyres, a printed tyre label that complies with the requirements set out in Annex II, is shown to the end-user and is clearly displayed close to the tyre at the point of sale, and that the product information sheet is available.

2 Distributors shall ensure that any visual advertisement for a specific tyre type shows the tyre label. If the visual advertisement indicates the price of that tyre type, the tyre label shall be displayed close to the price indication.

For visual advertisements on the internet for a specific tyre type, distributors may make the tyre label available in a nested display.

3 Distributors shall ensure that any technical promotional material concerning a specific tyre type displays the tyre label and includes the information set out in Annex IV.

4 Distributors shall ensure that where tyres offered for sale are not visible to the end-user at the time of sale, they provide the end-user with a copy of the tyre label before the sale.

5 Distributors shall ensure that any paper#based distance selling shows the tyre label and that end-users can access the product information sheet through a free access website, and can request a printed copy of the product information sheet.

6 Distributors that use telemarketing#based distance selling shall inform end-users of the classes for each of the parameters on the tyre label, and inform end-users that they can access the tyre label and the product information sheet through a free access website, and by requesting a printed copy.

7 For tyres sold or offered for sale on the internet, distributors shall ensure that the tyre label is displayed close to the price indication and that the product information sheet can be accessed. The size of the tyre label shall be such that it is clearly visible and legible and shall be proportionate to the size specified in point 2.1 of Annex II.

Distributors may make the tyre label for a specific tyre type available in a nested display.
