

## Agreement on the European Economic Area

### PART IV

## COMPETITION AND OTHER COMMON RULES

### CHAPTER 1

## RULES APPLICABLE TO UNDERTAKINGS

### *Article 53*

1. The following shall be prohibited as incompatible with the functioning of this Agreement: all agreements between undertakings, decisions by associations of undertakings and concerted practices which may affect trade between Contracting Parties and which have as their object or effect the prevention, restriction or distortion of competition within the territory covered by this Agreement, and in particular those which:

- (a) directly or indirectly fix purchase or selling prices or any other trading conditions;
- (b) limit or control production, markets, technical development, or investment;
- (c) share markets or sources of supply;
- (d) apply dissimilar conditions to equivalent transactions with other trading parties, thereby placing them at a competitive disadvantage;
- (e) make the conclusion of contracts subject to acceptance by the other parties of supplementary obligations which, by their nature or according to commercial usage, have no connection with the subject of such contracts.

2. Any agreements or decisions prohibited pursuant to this Article shall be automatically void.

3. The provisions of paragraph 1 may, however, be declared inapplicable in the case of:

- any agreement or category of agreements between undertakings;
- any decision or category of decisions by associations of undertakings;
- any concerted practice or category of concerted practices;

which contributes to improving the production or distribution of goods or to promoting technical or economic progress, while allowing consumers a fair share of the resulting benefit, and which does not:

- (a) impose on the undertakings concerned restrictions which are not indispensable to the attainment of these objectives;
- (b) afford such undertakings the possibility of eliminating competition in respect of a substantial part of the products in question.

### *Article 54*

Any abuse by one or more undertakings of a dominant position within the territory covered by this Agreement or in a substantial part of it shall be prohibited as

incompatible with the functioning of this Agreement in so far as it may affect trade between Contracting Parties.

Such abuse may, in particular, consist in:

- (a) directly or indirectly imposing unfair purchase or selling prices or other unfair trading conditions;
- (b) limiting production, markets or technical development to the prejudice of consumers;
- (c) applying dissimilar conditions to equivalent transactions with other trading parties, thereby placing them at a competitive disadvantage;
- (d) making the conclusion of contracts subject to acceptance by the other parties of supplementary obligations which, by their nature or according to commercial usage, have no connection with the subject of such contracts.

#### *Article 55*

1. Without prejudice to the provisions giving effect to Articles 53 and 54 as contained in Protocol 21 and Annex XIV of this Agreement, the EC Commission and the EFTA Surveillance Authority provided for in Article 108(1) shall ensure the application of the principles laid down in Articles 53 and 54.

The competent surveillance authority, as provided for in Article 56, shall investigate cases of suspected infringement of these principles, on its own initiative, or on application by a State within the respective territory or by the other surveillance authority. The competent surveillance authority shall carry out these investigations in cooperation with the competent national authorities in the respective territory and in cooperation with the other surveillance authority, which shall give it its assistance in accordance with its internal rules.

If it finds that there has been an infringement, it shall propose appropriate measures to bring it to an end.

2. If the infringement is not brought to an end, the competent surveillance authority shall record such infringement of the principles in a reasoned decision.

The competent surveillance authority may publish its decision and authorize States within the respective territory to take the measures, the conditions and details of which it shall determine, needed to remedy the situation. It may also request the other surveillance authority to authorize States within the respective territory to take such measures.

#### *Article 56*

1. Individual cases falling under Article 53 shall be decided upon by the surveillance authorities in accordance with the following provisions:

- (a) individual cases where only trade between EFTA States is affected shall be decided upon by the EFTA Surveillance Authority;
- (b) without prejudice to subparagraph (c), the EFTA Surveillance Authority decides, as provided for in the provisions set out in Article 58, Protocol 21 and the rules adopted for its implementation, Protocol 23 and Annex XIV, on cases where the turnover of the undertakings concerned in the territory of the EFTA States equals 33% or more of their turnover in the territory covered by this Agreement;

- (c) the EC Commission decides on the other cases as well as on cases under (b) where trade between EC Member States is affected, taking into account the provisions set out in Article 58, Protocol 21, Protocol 23 and Annex XIV.
2. Individual cases falling under Article 54 shall be decided upon by the surveillance authority in the territory of which a dominant position is found to exist. The rules set out in paragraph 1(b) and (c) shall apply only if dominance exists within the territories of both surveillance authorities.
3. Individual cases falling under subparagraph (c) of paragraph 1, whose effects on trade between EC Member States or on competition within the Community are not appreciable, shall be decided upon by the EFTA Surveillance Authority.
4. The terms ‘undertaking’ and ‘turnover’ are, for the purposes of this Article, defined in Protocol 22.

#### *Article 57*

1. Concentrations the control of which is provided for in paragraph 2 and which create or strengthen a dominant position as a result of which effective competition would be significantly impeded within the territory covered by this Agreement or a substantial part of it, shall be declared incompatible with this Agreement.
2. The control of concentrations falling under paragraph 1 shall be carried out by:
- (a) the EC Commission in cases falling under Regulation (EEC) No 4064/89 in accordance with that Regulation and in accordance with Protocols 21 and 24 and Annex XIV to this Agreement. The EC Commission shall, subject to the review of the EC Court of Justice, have sole competence to take decisions on these cases;
- (b) the EFTA Surveillance Authority in cases not falling under subparagraph (a) where the relevant thresholds set out in Annex XIV are fulfilled in the territory of the EFTA States in accordance with Protocols 21 and 24 and Annex XIV. This is without prejudice to the competence of EC Member States.

#### *Article 58*

With a view to developing and maintaining a uniform surveillance throughout the European Economic Area in the field of competition and to promoting a homogeneous implementation, application and interpretation of the provisions of this Agreement to this end, the competent authorities shall cooperate in accordance with the provisions set out in Protocols 23 and 24.

#### *Article 59*

1. In the case of public undertakings and undertakings to which EC Member States or EFTA States grant special or exclusive rights, the Contracting Parties shall ensure that there is neither enacted nor maintained in force any measure contrary to the rules contained in this Agreement, in particular to those rules provided for in Articles 4 and 53 to 63.
2. Undertakings entrusted with the operation of services of general economic interest or having the character of a revenue-producing monopoly shall be subject to the rules contained in this Agreement, in particular to the rules on competition, in so far as the application of such rules does not obstruct the performance, in law or in fact, of the particular tasks assigned to them. The development of trade must not be affected to such an extent as would be contrary to the interests of the Contracting Parties.
