

Agreement on the European Economic Area

PART IV

COMPETITION AND OTHER COMMON RULES

CHAPTER 2

STATE AID

Article 61

1. Save as otherwise provided in this Agreement, any aid granted by EC Member States, EFTA States or through State resources in any form whatsoever which distorts or threatens to distort competition by favouring certain undertakings or the production of certain goods shall, in so far as it affects trade between Contracting Parties, be incompatible with the functioning of this Agreement.

2. The following shall be compatible with the functioning of this Agreement:

- (a) aid having a social character, granted to individual consumers, provided that such aid is granted without discrimination related to the origin of the products concerned;
- (b) aid to make good the damage caused by natural disasters or exceptional occurrences;
- (c) aid granted to the economy of certain areas of the Federal Republic of Germany affected by the division of Germany, in so far as such aid is required in order to compensate for the economic disadvantages caused by that division.

3. The following may be considered to be compatible with the functioning of this Agreement:

- (a) aid to promote the economic development of areas where the standard of living is abnormally low or where there is serious underemployment;
- (b) aid to promote the execution of an important project of common European interest or to remedy a serious disturbance in the economy of an EC Member State or an EFTA State;
- (c) aid to facilitate the development of certain economic activities or of certain economic areas, where such aid does not adversely affect trading conditions to an extent contrary to the common interest;
- (d) such other categories of aid as may be specified by the EEA Joint Committee in accordance with Part VII.

Article 62

1. All existing systems of State aid in the territory of the Contracting Parties, as well as any plans to grant or alter State aid, shall be subject to constant review as to their compatibility with Article 61. This review shall be carried out:

- (a) as regards the EC Member States, by the EC Commission according to the rules laid down in Article 93 of the Treaty establishing the European Economic Community;

- (b) as regards the EFTA States, by the EFTA Surveillance Authority according to the rules set out in an agreement between the EFTA States establishing the EFTA Surveillance Authority which is entrusted with the powers and functions laid down in Protocol 26.
2. With a view to ensuring a uniform surveillance in the field of State aid throughout the territory covered by this Agreement, the EC Commission and the EFTA Surveillance Authority shall cooperate in accordance with the provisions set out in Protocol 27.

Article 63

Annex XV contains specific provisions on State aid.

Article 64

1. If one of the surveillance authorities considers that the implementation by the other surveillance authority of Articles 61 and 62 of this Agreement and Article 5 of Protocol 14 is not in conformity with the maintenance of equal conditions of competition within the territory covered by this Agreement, exchange of views shall be held within two weeks according to the procedure of Protocol 27, paragraph (f).

If a commonly agreed solution has not been found by the end of this two-week period, the competent authority of the affected Contracting Party may immediately adopt appropriate interim measures in order to remedy the resulting distortion of competition.

Consultations shall then be held in the EEA Joint Committee with a view to finding a commonly acceptable solution.

If within three months the EEA Joint Committee has not been able to find such a solution, and if the practice in question causes, or threatens to cause, distortion of competition affecting trade between the Contracting Parties, the interim measures may be replaced by definitive measures, strictly necessary to offset the effect of such distortion. Priority shall be given to such measures that will least disturb the functioning of the EEA.

2. The provisions of this Article will also apply to State monopolies, which are established after the date of signature of the Agreement.
