CHAPTER 2

Dissemination of information

Section 2

Other information

(a)

Dissemination by amicable agreement

Article 15

The Commission shall establish a procedure by which Member States, persons and undertakings may use it as an intermediary for exchanging provisional or final results of their research, insofar as these results have not been acquired by the Community under research contracts awarded by the Commission.

This procedure must be such as to ensure the confidential nature of the exchange. The results communicated may, however, be transmitted by the Commission to the Joint Nuclear Research Centre for documentation purposes; this shall not entail any right of use to which the communicating party has not agreed.
