

Consolidated version of the Treaty establishing the  
European Atomic Energy Community 2016/C 203/01

TITLE V

**GENERAL PROVISIONS**

*Article 185*

In each of the Member States, the Community shall enjoy the most extensive legal capacity accorded to legal persons under their laws; it may, in particular, acquire or dispose of movable and immovable property and may be a party to legal proceedings. To this end, the Community shall be represented by the Commission.
