The Union and the United Kingdom,

HAVING REGARD to the historic ties and enduring nature of the bilateral relationship between Ireland and the United Kingdom,

RECALLING that the United Kingdom's withdrawal from the Union presents a significant and unique challenge to the island of Ireland, and reaffirming that the achievements, benefits and commitments of the peace process will remain of paramount importance to peace, stability and reconciliation there,

RECOGNISING that it is necessary to address the unique circumstances on the island of Ireland through a unique solution in order to ensure the orderly withdrawal of the United Kingdom from the Union,

AFFIRMING that the Good Friday or Belfast Agreement of 10 April 1998 between the Government of the United Kingdom, the Government of Ireland and the other participants in the multi-party negotiations (the "1998 Agreement"), which is annexed to the British-Irish Agreement of the same date (the "British-Irish Agreement"), including its subsequent implementation agreements and arrangements, should be protected in all its parts,

RECOGNISING that cooperation between Northern Ireland and Ireland is a central part of the 1998 Agreement and is essential for achieving reconciliation and the normalisation of relationships on the island of Ireland, and recalling the roles, functions and safeguards of the Northern Ireland Executive, the Northern Ireland Assembly and the North-South Ministerial Council (including cross-community provisions), as set out in the 1998 Agreement,

NOTING that Union law has provided a supporting framework for the provisions on Rights, Safeguards and Equality of Opportunity of the 1998 Agreement,

RECOGNISING that Irish citizens in Northern Ireland, by virtue of their Union citizenship, will continue to enjoy, exercise and have access to rights, opportunities and benefits, and that this Protocol should respect and be without prejudice to the rights, opportunities and identity that come with citizenship of the Union for the people of Northern Ireland who choose to assert their right to Irish citizenship, as defined in Annex 2 of the British-Irish Agreement "Declaration on the Provisions of Paragraph (vi) of Article 1 in Relation to Citizenship",

EMPHASISING that in order to ensure democratic legitimacy, there should be a process to ensure democratic consent in Northern Ireland to the application of Union law under this Protocol,

RECALLING the commitment of the United Kingdom to protect North-South cooperation and its guarantee of avoiding a hard border, including any physical infrastructure or related checks and controls,

NOTING that nothing in this Protocol prevents the United Kingdom from ensuring unfettered market access for goods moving from Northern Ireland to the rest of the United Kingdom's internal market,

UNDERLINING the Union's and the United Kingdom's shared aim of avoiding controls at the ports and airports of Northern Ireland, to the extent possible in accordance with applicable legislation and taking into account their respective regulatory regimes as well as the implementation thereof,

RECALLING the commitments of the Union and the United Kingdom reflected in the Joint Report from the negotiators of the European Union and the United Kingdom Government on progress during phase 1 of negotiations under Article 50 TEU on the United Kingdom's orderly withdrawal from the European Union of 8 December 2017,

RECALLING that the Union and the United Kingdom have carried out a mapping exercise which shows that North-South cooperation relies to a significant extent on a common Union legal and policy framework,

NOTING that therefore the United Kingdom's withdrawal from the Union gives rise to substantial challenges to the maintenance and development of North-South cooperation,

RECALLING that the United Kingdom remains committed to protecting and supporting continued North-South and East-West cooperation across the full range of political, economic, security, societal and agricultural contexts and frameworks for cooperation, including the continued operation of the North-South implementation bodies,

UNDERLINING their firm commitment to no customs and regulatory checks or controls and related physical infrastructure at the border between Ireland and Northern Ireland,

RECALLING that Northern Ireland is part of the customs territory of the United Kingdom and will benefit from participation in the United Kingdom's independent trade policy,

HAVING REGARD to the importance of maintaining the integral place of Northern Ireland in the United Kingdom's internal market,

MINDFUL that the rights and obligations of Ireland under the rules of the Union's internal market and customs union must be fully respected,

HAVE AGREED UPON the following provisions, which shall be annexed to the Withdrawal Agreement:

Article 1

Objectives

1 This Protocol is without prejudice to the provisions of the 1998 Agreement in respect of the constitutional status of Northern Ireland and the principle of consent, which provides that any change in that status can only be made with the consent of a majority of its people.

2 This Protocol respects the essential State functions and territorial integrity of the United Kingdom.

3 This Protocol sets out arrangements necessary to address the unique circumstances on the island of Ireland, to maintain the necessary conditions for continued North-South cooperation, to avoid a hard border and to protect the 1998 Agreement in all its dimensions.

Article 2

Rights of individuals

1 The United Kingdom shall ensure that no diminution of rights, safeguards or equality of opportunity, as set out in that part of the 1998 Agreement entitled Rights, Safeguards and Equality of Opportunity results from its withdrawal from the Union, including in the area of protection against discrimination, as enshrined in the provisions of Union law listed in Annex 1 to this Protocol, and shall implement this paragraph through dedicated mechanisms.

2 The United Kingdom shall continue to facilitate the related work of the institutions and bodies set up pursuant to the 1998 Agreement, including the Northern Ireland Human Rights Commission, the Equality Commission for Northern Ireland and the Joint Committee of representatives of the Human Rights Commissions of Northern Ireland and Ireland, in upholding human rights and equality standards.

Article 3

Common Travel Area

1 The United Kingdom and Ireland may continue to make arrangements between themselves relating to the movement of persons between their territories (the "Common Travel Area"), while fully respecting the rights of natural persons conferred by Union law.

2 The United Kingdom shall ensure that the Common Travel Area and the rights and privileges associated therewith can continue to apply without affecting the obligations of Ireland under Union law, in particular with respect to free movement to, from and within Ireland for Union citizens and their family members, irrespective of their nationality.

Article 4

Customs territory of the United Kingdom

Northern Ireland is part of the customs territory of the United Kingdom.

Accordingly, nothing in this Protocol shall prevent the United Kingdom from including Northern Ireland in the territorial scope of any agreements it may conclude with third countries, provided that those agreements do not prejudice the application of this Protocol.

In particular, nothing in this Protocol shall prevent the United Kingdom from concluding agreements with a third country that grant goods produced in Northern Ireland preferential access to that country's market on the same terms as goods produced in other parts of the United Kingdom.

Nothing in this Protocol shall prevent the United Kingdom from including Northern Ireland in the territorial scope of its Schedules of Concessions annexed to the General Agreement on Tariffs and Trade 1994.

Article 5

Customs, movement of goods

1 No customs duties shall be payable for a good brought into Northern Ireland from another part of the United Kingdom by direct transport, notwithstanding paragraph 3, unless that good is at risk of subsequently being moved into the Union, whether by itself or forming part of another good following processing.

The customs duties in respect of a good being moved by direct transport to Northern Ireland other than from the Union or from another part of the United Kingdom shall be the duties applicable in the United Kingdom, notwithstanding paragraph 3, unless that good is at risk of subsequently being moved into the Union, whether by itself or forming part of another good following processing.

No duties shall be payable by, as relief shall be granted to, residents of the United Kingdom for personal property, as defined in point (c) of Article 2(1) of Council Regulation (EC) No 1186/2009⁽¹⁾, brought into Northern Ireland from another part of the United Kingdom.

2 For the purposes of the first and second subparagraphs of paragraph 1, a good brought into Northern Ireland from outside the Union shall be considered to be at risk of subsequently being moved into the Union unless it is established that that good:

- a will not be subject to commercial processing in Northern Ireland; and
- b fulfils the criteria established by the Joint Committee in accordance with the fourth subparagraph of this paragraph.

For the purposes of this paragraph, "processing" means any alteration of goods, any transformation of goods in any way, or any subjecting of goods to operations other than for the purpose of preserving them in good condition or for adding or affixing marks, labels, seals or any other documentation to ensure compliance with any specific requirements.

Before the end of the transition period, the Joint Committee shall by decision establish the conditions under which processing is to be considered not to fall within point (a) of the first subparagraph, taking into account in particular the nature, scale and result of the processing.

Before the end of the transition period, the Joint Committee shall by decision establish the criteria for considering that a good brought into Northern Ireland from outside the Union is not at risk of subsequently being moved into the Union. The Joint Committee shall take into consideration, inter alia:

- a the final destination and use of the good;
- b the nature and value of the good;
- c the nature of the movement; and
- d the incentive for undeclared onward-movement into the Union, in particular incentives resulting from the duties payable pursuant to paragraph 1.

The Joint Committee may amend at any time its decisions adopted pursuant to this paragraph.

In taking any decision pursuant to this paragraph, the Joint Committee shall have regard to the specific circumstances in Northern Ireland.

3 Legislation as defined in point (2) of Article 5 of Regulation (EU) No 952/2013 shall apply to and in the United Kingdom in respect of Northern Ireland (not including the territorial waters of the United Kingdom). However, the Joint Committee shall establish the conditions, including in quantitative terms, under which certain fishery and aquaculture products, as set out in Annex I to Regulation (EU) No 1379/2013 of the European Parliament and of the Council⁽²⁾, brought into the customs territory of the Union defined in Article 4 of Regulation (EU) No 952/2013 by vessels flying the flag of the United Kingdom and having their port of registration in Northern Ireland are exempted from duties.

4 The provisions of Union law listed in Annex 2 to this Protocol shall also apply, under the conditions set out in that Annex, to and in the United Kingdom in respect of Northern Ireland.

5 Articles 30 and 110 TFEU shall apply to and in the United Kingdom in respect of Northern Ireland. Quantitative restrictions on exports and imports shall be prohibited between the Union and Northern Ireland.

6 Customs duties levied by the United Kingdom in accordance with paragraph 3 are not remitted to the Union.

Subject to Article 10, the United Kingdom may in particular:

- a reimburse duties levied pursuant to the provisions of Union law made applicable by paragraph 3 in respect of goods brought into Northern Ireland;
- b provide for circumstances in which a customs debt which has arisen is to be waived in respect of goods brought into Northern Ireland;
- c provide for circumstances in which customs duties are to be reimbursed in respect of goods that can be shown not to have entered the Union; and
- d compensate undertakings to offset the impact of the application of paragraph 3.

In taking decisions under Article 10, the European Commission shall take the circumstances in Northern Ireland into account as appropriate.

7 No duties shall be payable on consignments of negligible value, on consignments sent by one individual to another or on goods contained in travellers' personal baggage, under the conditions set out in the legislation referred to in paragraph 3.

Article 6

Protection of the UK internal market

1 Nothing in this Protocol shall prevent the United Kingdom from ensuring unfettered market access for goods moving from Northern Ireland to other parts of the United Kingdom's internal market. Provisions of Union law made applicable by this Protocol which prohibit or restrict the exportation of goods shall only be applied to trade between Northern Ireland and other parts of the United Kingdom to the extent strictly required by any international obligations of the Union. The United Kingdom shall ensure full protection under international requirements and commitments that are relevant to the prohibitions and restrictions on the exportation of goods from the Union to third countries as set out in Union law.

2 Having regard to Northern Ireland's integral place in the United Kingdom's internal market, the Union and the United Kingdom shall use their best endeavours to facilitate the trade between Northern Ireland and other parts of the United Kingdom, in accordance with applicable legislation and taking into account their respective regulatory regimes as well as the implementation thereof. The Joint Committee shall keep the application of this paragraph under constant review and shall adopt appropriate recommendations with a view to avoiding controls at the ports and airports of Northern Ireland to the extent possible.

3 Nothing in this Protocol shall prevent a product originating from Northern Ireland from being presented as originating from the United Kingdom when placed on the market in Great Britain.

4 Nothing in this Protocol shall affect the law of the United Kingdom regulating the placing on the market in other parts of the United Kingdom of goods from Northern Ireland that comply with or benefit from technical regulations, assessments, registrations, certificates, approvals or authorisations governed by provisions of Union law referred to in Annex 2 to this Protocol.

Article 7

Technical regulations, assessments, registrations, certificates, approvals and authorisations

1 Without prejudice to the provisions of Union law referred to in Annex 2 to this Protocol, the lawfulness of placing goods on the market in Northern Ireland shall be governed by the law of the United Kingdom as well as, as regards goods imported from the Union, by Articles 34 and 36 TFEU.

2 Where provisions of Union law made applicable by this Protocol provide for the indication of a Member State, including in abbreviated form, in markings, labelling, tags, or by any other means, the United Kingdom in respect of Northern Ireland shall be indicated as "UK(NI)" or "United Kingdom (Northern Ireland)". Where provisions of Union law made applicable by this Protocol provide for the indication in the form of a numeric code, the United Kingdom in respect of Northern Ireland shall be indicated with a distinguishable numeric code.

3 By way of derogation from Article 13(1) of this Protocol and from Article 7 of the Withdrawal Agreement, in respect of the recognition in one Member State of technical regulations, assessments, registrations, certificates, approvals and authorisations issued or carried out by the authorities of another Member State, or by a body established in another

Member State, references to Member States in provisions of Union law made applicable by this Protocol shall not be read as including the United Kingdom in respect of Northern Ireland as regards technical regulations, assessments, registrations, certificates, approvals and authorisations issued or carried out by the authorities of the United Kingdom or by bodies established in the United Kingdom.

The first subparagraph shall not apply to registrations, certifications, approvals and authorisations of sites, installations or premises in Northern Ireland issued or carried out by competent authorities of the United Kingdom, where the registration, certification, approval or authorisation may require an inspection of the sites, installations or premises.

The first subparagraph shall not apply to veterinary certificates or official labels for plant reproductive material that are required by provisions of Union law made applicable by this Protocol.

The first subparagraph is without prejudice to the validity, in Northern Ireland, of assessments, registrations, certificates, approvals and authorisations issued or carried out, on the basis of provisions of Union law made applicable by this Protocol, by the competent authorities of the United Kingdom or by bodies established in the United Kingdom. Any conformity marking, logo or similar required by the provisions of Union law made applicable by this Protocol which is affixed by economic operators based on the assessment, registration, certificate, approval or authorisation issued by competent authorities of the United Kingdom or by bodies established in the United Kingdom shall be accompanied by the indication "UK(NI)".

The United Kingdom in respect of Northern Ireland may not initiate objection, safeguard or arbitration procedures provided for in provisions of Union law made applicable by this Protocol to the extent that those procedures concern the technical regulations, standards, assessments, registrations, certificates, approvals and authorisations issued or carried out by competent authorities of the Member States or by bodies established in Member States.

The first subparagraph does not prevent the test and release by a qualified person in Northern Ireland of a batch of a medicinal product imported into or manufactured in Northern Ireland.

Article 8

VAT and excise

The provisions of Union law listed in Annex 3 to this Protocol concerning goods shall apply to and in the United Kingdom in respect of Northern Ireland.

In respect of Northern Ireland, the authorities of the United Kingdom shall be responsible for the application and the implementation of the provisions listed in Annex 3 to this Protocol, including the collection of VAT and excise duties. Under the conditions set out in those provisions, revenues resulting from transactions taxable in Northern Ireland shall not be remitted to the Union.

By way of derogation from the first paragraph, the United Kingdom may apply to supplies of goods taxable in Northern Ireland VAT exemptions and reduced rates that are applicable in Ireland in accordance with provisions listed in Annex 3 to this Protocol.

The Joint Committee shall regularly discuss the implementation of this Article, including as concerns the reductions and exemptions provided for in the provisions referred to in the first paragraph, and shall, where appropriate, adopt measures for its proper application, as necessary.

The Joint Committee may review the application of this Article, taking into account Northern Ireland's integral place in the United Kingdom's internal market, and may adopt appropriate measures as necessary.

Article 9

Single electricity market

The provisions of Union law governing wholesale electricity markets listed in Annex 4 to this Protocol shall apply, under the conditions set out in that Annex, to and in the United Kingdom in respect of Northern Ireland.

Article 10

State aid

1 The provisions of Union law listed in Annex 5 to this Protocol shall apply to the United Kingdom, including with regard to measures supporting the production of and trade in agricultural products in Northern Ireland, in respect of measures which affect that trade between Northern Ireland and the Union which is subject to this Protocol.

2 Notwithstanding paragraph 1, the provisions of Union law referred to in that paragraph shall not apply with respect to measures taken by the United Kingdom authorities to support the production of and trade in agricultural products in Northern Ireland up to a determined maximum overall annual level of support, and provided that a determined minimum percentage of that exempted support complies with the provisions of Annex 2 to the WTO Agreement on Agriculture. The determination of the maximum exempted overall annual level of support and the minimum percentage shall be governed by the procedures set out in Annex 6.

3 Where the European Commission examines information regarding a measure by the United Kingdom authorities that may constitute unlawful aid that is subject to paragraph 1, it shall ensure that the United Kingdom is kept fully and regularly informed of the progress and outcome of the examination of that measure.

Article 11

Other areas of North-South cooperation

1 Consistent with the arrangements set out in Articles 5 to 10, and in full respect of Union law, this Protocol shall be implemented and applied so as to maintain the necessary conditions for continued North-South cooperation, including in the areas of environment, health, agriculture, transport, education and tourism, as well as in the areas of energy, telecommunications, broadcasting, inland fisheries, justice and security, higher education and sport.

In full respect of Union law, the United Kingdom and Ireland may continue to make new arrangements that build on the provisions of the 1998 Agreement in other areas of North#South cooperation on the island of Ireland.

2 The Joint Committee shall keep under constant review the extent to which the implementation and application of this Protocol maintains the necessary conditions for North#South cooperation. The Joint Committee may make appropriate recommendations to the Union

and the United Kingdom in this respect, including on a recommendation from the Specialised Committee.

Article 12

Implementation, application, supervision and enforcement

1 Without prejudice to paragraph 4, the authorities of the United Kingdom shall be responsible for implementing and applying the provisions of Union law made applicable by this Protocol to and in the United Kingdom in respect of Northern Ireland.

2 Without prejudice to paragraph 4 of this Article, Union representatives shall have the right to be present during any activities of the authorities of the United Kingdom related to the implementation and application of provisions of Union law made applicable by this Protocol, as well as activities related to the implementation and application of Article 5, and the United Kingdom shall provide, upon request, all relevant information relating to such activities. The United Kingdom shall facilitate such presence of Union representatives and shall provide them with the information requested. Where the Union representative requests the authorities of the United Kingdom to carry out control measures in individual cases for duly stated reasons, the authorities of the United Kingdom shall carry out those control measures.

The Union and the United Kingdom shall exchange information on the application of Article 5 (1) and (2) on a monthly basis.

3 The practical working arrangements relating to the exercise of the rights of Union representatives referred to in paragraph 2 shall be determined by the Joint Committee, upon proposal from the Specialised Committee.

4 As regards the second subparagraph of paragraph 2 of this Article, Article 5 and Articles 7 to 10, the institutions, bodies, offices, and agencies of the Union shall in relation to the United Kingdom and natural and legal persons residing or established in the territory of the United Kingdom have the powers conferred upon them by Union law. In particular, the Court of Justice of the European Union shall have the jurisdiction provided for in the Treaties in this respect. The second and third paragraphs of Article 267 TFEU shall apply to and in the United Kingdom in this respect.

5 Acts of the institutions, bodies, offices, and agencies of the Union adopted in accordance with paragraph 4 shall produce in respect of and in the United Kingdom the same legal effects as those which they produce within the Union and its Member States.

6 When representing or assisting a party in relation to administrative procedures arising from the exercise of the powers of the institutions, bodies, offices, and agencies of the Union referred to in paragraph 4, lawyers authorised to practise before the courts or tribunals of the United Kingdom shall in every respect be treated as lawyers authorised to practise before courts or tribunals of Member States who represent or assist a party in relation to such administrative procedures.

7 In cases brought before the Court of Justice of the European Union pursuant to paragraph 4:

- a the United Kingdom may participate in the proceedings before the Court of Justice of the European Union in the same way as a Member State;
- b lawyers authorised to practise before the courts or tribunals of the United Kingdom may represent or assist a party before the Court of Justice of the European Union in such proceedings and shall in every respect be treated as lawyers authorised to practise

before courts or tribunals of Member States representing or assisting a party before the Court of Justice of the European Union.

Article 13

Common provisions

1 For the purposes of this Protocol, any reference to the United Kingdom in the applicable provisions of the Withdrawal Agreement shall be read as referring to the United Kingdom or to the United Kingdom in respect of Northern Ireland, as the case may be.

Notwithstanding any other provisions of this Protocol, any reference to the territory defined in Article 4 of Regulation (EU) No 952/2013 in the applicable provisions of the Withdrawal Agreement and of this Protocol, as well as in the provisions of Union law made applicable to and in the United Kingdom in respect of Northern Ireland by this Protocol, shall be read as including the part of the territory of the United Kingdom to which Regulation (EU) No 952/2013 applies by virtue of Article 5(3) of this Protocol.

Titles I and III of Part Three and Part Six of the Withdrawal Agreement shall apply without prejudice to the provisions of this Protocol.

2 Notwithstanding Article 4(4) and (5) of the Withdrawal Agreement, the provisions of this Protocol referring to Union law or to concepts or provisions thereof shall in their implementation and application be interpreted in conformity with the relevant case law of the Court of Justice of the European Union.

3 Notwithstanding Article 6(1) of the Withdrawal Agreement, and unless otherwise provided, where this Protocol makes reference to a Union act, that reference shall be read as referring to that Union act as amended or replaced.

4 Where the Union adopts a new act that falls within the scope of this Protocol, but which neither amends nor replaces a Union act listed in the Annexes to this Protocol, the Union shall inform the United Kingdom of the adoption of that act in the Joint Committee. Upon the request of the Union or the United Kingdom, the Joint Committee shall hold an exchange of views on the implications of the newly adopted act for the proper functioning of this Protocol, within 6 weeks after the request.

As soon as reasonably practical after the Union has informed the United Kingdom in the Joint Committee, the Joint Committee shall either:

- a adopt a decision adding the newly adopted act to the relevant Annex to this Protocol; or
- b where an agreement on adding the newly adopted act to the relevant Annex to this Protocol cannot be reached, examine all further possibilities to maintain the good functioning of this Protocol and take any decision necessary to this effect.

If the Joint Committee has not taken a decision referred to in the second subparagraph within a reasonable time, the Union shall be entitled, after giving notice to the United Kingdom, to take appropriate remedial measures. Such measures shall take effect at the earliest 6 months after the Union informed the United Kingdom in accordance with the first subparagraph, but in no event shall such measures take effect before the date on which the newly adopted act is implemented in the Union.

5 By way of derogation from paragraph 1 of this Article and from Article 7 of the Withdrawal Agreement, unless the Union considers that full or partial access by the United Kingdom or the United Kingdom in respect of Northern Ireland, as the case may be, is strictly necessary to enable the United Kingdom to comply with its obligations under this Protocol,

including where such access is necessary because access to the relevant information cannot be facilitated by the working group referred to in Article 15 of this Protocol or by any other practical means, in respect of access to any network, information system or database established on the basis of Union law, references to Member States and competent authorities of Member States in provisions of Union law made applicable by this Protocol shall not be read as including the United Kingdom or the United Kingdom in respect of Northern Ireland, as the case may be.

6 Authorities of the United Kingdom shall not act as leading authority for risk assessments, examinations, approvals and authorisation procedures provided for in Union law made applicable by this Protocol.

7 Articles 346 and 347 TFEU shall apply to this Protocol as regards measures taken by a Member State or by the United Kingdom in respect of Northern Ireland.

8 Any subsequent agreement between the Union and the United Kingdom shall indicate the parts of this Protocol which it supersedes. Once a subsequent agreement between the Union and the United Kingdom becomes applicable after the entry into force of the Withdrawal Agreement, this Protocol shall then, from the date of application of such subsequent agreement and in accordance with the provisions of that agreement setting out the effect of that agreement on this Protocol, not apply or shall cease to apply, as the case may be, in whole or in part.

Article 14

Specialised Committee

The Committee on issues related to the implementation of the Protocol on Ireland/Northern Ireland established by Article 165 of the Withdrawal Agreement ("Specialised Committee") shall:

- (a) facilitate the implementation and application of this Protocol;
- (b) examine proposals concerning the implementation and application of this Protocol from the North-South Ministerial Council and North-South Implementation bodies set up under the 1998 Agreement;

- (d) discuss any point raised by the Union or the United Kingdom that is of relevance to this Protocol and gives rise to a difficulty; and
- (e) make recommendations to the Joint Committee as regards the functioning of this Protocol.

Article 15

Joint consultative working group

1 A joint consultative working group on the implementation of this Protocol ("working group") is hereby established. It shall serve as a forum for the exchange of information and mutual consultation.

2 The working group shall be composed of representatives of the Union and the United Kingdom and shall carry out its functions under the supervision of the Specialised Committee, to which it shall report. The working group shall have no power to take binding decisions other than the power to adopt its own rules of procedure referred to in paragraph 6.

3 Within the working group:

- a the Union and the United Kingdom shall, in a timely manner, exchange information about planned, ongoing and final relevant implementation measures in relation to the Union acts listed in the Annexes to this Protocol;
- b the Union shall inform the United Kingdom about planned Union acts within the scope of this Protocol, including Union acts that amend or replace the Union acts listed in the Annexes to this Protocol;
- c the Union shall provide to the United Kingdom all information the Union considers relevant to allow the United Kingdom to fully comply with its obligations under the Protocol; and
- d the United Kingdom shall provide to the Union all information that Member States are required to provide to one another or to the institutions, bodies, offices or agencies of the Union pursuant to the Union acts listed in the Annexes to this Protocol.

4 The working group shall be co-chaired by the Union and the United Kingdom.

5 The working group shall meet at least once a month, unless otherwise decided by the Union and the United Kingdom by mutual consent. Where necessary, the Union and the United Kingdom may exchange information referred to in points (c) and (d) of paragraph 3 between meetings.

6 The working group shall adopt its own rules of procedure by mutual consent.

7 The Union shall ensure that all views expressed by the United Kingdom in the working group and all information provided by the United Kingdom in the working group, including technical and scientific data, are communicated to the relevant institutions, bodies, offices and agencies of the Union without undue delay.

Article 16

Safeguards

1 If the application of this Protocol leads to serious economic, societal or environmental difficulties that are liable to persist, or to diversion of trade, the Union or the United Kingdom may unilaterally take appropriate safeguard measures. Such safeguard measures shall be restricted with regard to their scope and duration to what is strictly necessary in order to remedy the situation. Priority shall be given to such measures as will least disturb the functioning of this Protocol.

2 If a safeguard measure taken by the Union or the United Kingdom, as the case may be, in accordance with paragraph 1 creates an imbalance between the rights and obligations under this Protocol, the Union or the United Kingdom, as the case may be, may take such proportionate rebalancing measures as are strictly necessary to remedy the imbalance. Priority shall be given to such measures as will least disturb the functioning of this Protocol.

3 Safeguard and rebalancing measures taken in accordance with paragraphs 1 and 2 shall be governed by the procedures set out in Annex 7 to this Protocol.

Article 17

Protection of financial interests

The Union and the United Kingdom shall counter fraud and any other illegal activities affecting the financial interests of the Union or the financial interests of the United Kingdom.

Article 18

Democratic consent in Northern Ireland

1 Within 2 months before the end of both the initial period and any subsequent period, the United Kingdom shall provide the opportunity for democratic consent in Northern Ireland to the continued application of Articles 5 to 10.

2 For the purposes of paragraph 1, the United Kingdom shall seek democratic consent in Northern Ireland in a manner consistent with the 1998 Agreement. A decision expressing democratic consent shall be reached strictly in accordance with the unilateral declaration concerning the operation of the 'Democratic consent in Northern Ireland' provision of the Protocol on Ireland/Northern Ireland made by the United Kingdom on 17 October 2019, including with respect to the roles of the Northern Ireland Executive and Assembly.

3 The United Kingdom shall notify the Union before the end of the relevant period referred to in paragraph 5 of the outcome of the process referred to in paragraph 1.

4 Where the process referred to in paragraph 1 has been undertaken and a decision has been reached in accordance with paragraph 2, and the United Kingdom notifies the Union that the outcome of the process referred to in paragraph 1 is not a decision that the Articles of this Protocol referred to in that paragraph should continue to apply in Northern Ireland, then those Articles and other provisions of this Protocol, to the extent that those provisions depend on those Articles for their application, shall cease to apply 2 years after the end of the relevant period referred to in paragraph 5. In such a case the Joint Committee shall address recommendations to the Union and to the United Kingdom on the necessary measures, taking into account the obligations of the parties to the 1998 Agreement. Before doing so, the Joint Committee may seek an opinion from institutions created by the 1998 Agreement.

5 For the purposes of this Article, the initial period is the period ending 4 years after the end of the transition period. Where the decision reached in a given period was on the basis of a majority of Members of the Northern Ireland Assembly, present and voting, the subsequent period is the 4 year period following that period, for as long as Articles 5 to 10 continue to apply. Where the decision reached in a given period had cross-community support, the subsequent period is the 8-year period following that period, for as long as Articles 5 to 10 continue to apply.

6 For the purposes of paragraph 5, cross-community support means:

- a a majority of those Members of the Legislative Assembly present and voting, including a majority of the unionist and nationalist designations present and voting; or
- b a weighted majority (60 %) of Members of the Legislative Assembly present and voting, including at least 40 % of each of the nationalist and unionist designations present and voting.

PROCEDURES REFERRED TO IN ARTICLE 10(2)

The Joint Committee shall determine the initial maximum exempted overall annual level of support and the initial minimum percentage referred to in Article 10(2), taking into account the most recent information available. The initial maximum exempted overall annual level of support shall be informed by the design of the United Kingdom's future agricultural support scheme as well as the annual average of the total amount of expenditure incurred in Northern Ireland under the Common Agricultural Policy under the current MFF 2014-2020. The initial minimum percentage shall be informed by the design of the United Kingdom's agricultural support scheme as well as by the percentage to which the overall expenditure under the Common Agricultural Policy in the Union complied with the provisions of Annex 2 to the WTO Agreement on Agriculture as notified for the period concerned.

The Joint Committee shall adjust the level of support and percentage referred to in the first paragraph informed by the design of the United Kingdom's agricultural support scheme to any variation in the overall amount of support available under the Common Agricultural Policy in the Union in each future Multiannual Financial Framework.

If the Joint Committee fails to determine the initial level of support and percentage in accordance with the first paragraph, or fails to adjust the level of support and percentage in accordance with the second paragraph, by the end of the transition period or within 1 year of the entry into force of a future Multiannual Financial Framework, as the case may be, application of Article 10(2) shall be suspended until the Joint Committee has determined or adjusted the level of support and percentage.

ANNEX 7

PROCEDURES REFERRED TO IN ARTICLE 16(3)

1. Where the Union or the United Kingdom is considering taking safeguard measures under Article 16(1) of this Protocol, it shall, without delay, notify the Union or the United Kingdom, as the case may be, through the Joint Committee and shall provide all relevant information.
2. The Union and the United Kingdom shall immediately enter into consultations in the Joint Committee with a view to finding a commonly acceptable solution.
3. The Union or the United Kingdom, as the case may be, may not take safeguard measures until 1 month has elapsed after the date of notification under point 1, unless the consultation procedure under point 2 has been concluded before the expiration of the state limit. When exceptional circumstances requiring immediate action exclude prior examination, the Union or the United Kingdom, as the case may be, may apply forthwith the protective measures strictly necessary to remedy the situation.
4. The Union or the United Kingdom, as the case may be, shall, without delay, notify the measures taken to the Joint Committee and shall provide all relevant information.
5. The safeguard measures taken shall be the subject of consultations in the Joint Committee every 3 months from the date of their adoption with a view to their abolition before the date of expiry envisaged, or to the limitation of their scope of application. The Union or the United Kingdom, as the case may be, may at any time request the Joint Committee to review such measures.
6. Points 1 to 5 shall apply, *mutatis mutandis*, to rebalancing measures referred to in Article 16(2) of this Protocol.

UNDERLINING that the arrangements set out in this Protocol are without prejudice to Articles 1 and 2 of the Treaty of Establishment and to the positions of the Republic of Cyprus and the United Kingdom thereon,

Article 5

Social security

With the prior agreement of and in cooperation with the United Kingdom authorities, the Republic of Cyprus may take further measures to combat illegal migration with respect to persons who have crossed that boundary.

7 The United Kingdom authorities shall use mobile units to carry out external border surveillance between border crossing points and at crossing points outside of normal opening hours at the external borders of the Sovereign Base Areas and at the boundary between the Sovereign Base Area of Dhekelia and those areas of the Republic of Cyprus in which the Government of the Republic of Cyprus does not exercise effective control. 2 If it considers it is necessary in order to maintain the good functioning of this Protocol, the Joint Committee may, on a recommendation from the Specialised Committee, take any decision necessary to replace in relation to this Protocol the provisions referred to in Article 1(4).

3 The Joint Committee may, on a recommendation from the Specialised Committee, amend Article 7(6) in relation to the crossing points identified in that provision.

Article 11

In particular, the Court of Justice of the European Union shall have jurisdiction as provided for in the Treaties in this respect.

2 Acts of the institutions, bodies, offices and agencies adopted in accordance with paragraph 1 shall produce the same legal effects with regard to and in the Sovereign Base Areas as those which they produce within the Union and its Member States.

Article 13

Responsibility for implementation

1 Unless otherwise provided in this Protocol, the United Kingdom shall be responsible for the implementation and enforcement of this Protocol in the Sovereign Base Areas. Notwithstanding paragraph 3, the competent authorities of the United Kingdom shall enact the domestic legislation necessary to give effect to this Protocol in the Sovereign Base Areas.

2 The United Kingdom shall retain the exclusive right to implement and enforce this Protocol in respect of its own authorities or on any immovable property owned or occupied by

the Ministry of Defence of the United Kingdom, as well as any coercive enforcement power requiring the power to enter a dwelling house or a power of arrest. The United Kingdom shall retain other coercive enforcement powers unless otherwise provided in the legislation referred to in paragraph 1.

3 The Republic of Cyprus is entrusted with the responsibility for implementing and enforcing this Protocol in the Sovereign Base Areas in accordance with Article 2(10) and Articles 3 and 6.

3 The United Kingdom shall ensure that its ratification of the Framework Convention on Tobacco Control, adopted in Geneva on 21 May 2003, and the Protocol to Eliminate Illicit Trade in Tobacco Products, adopted in Seoul on 12 November 2012, is extended to Gibraltar by 30 June 2020.

Without prejudice to the first subparagraph, the United Kingdom shall ensure that a system of traceability and security measures relating to tobacco products that is equivalent to the requirements and standards of Union law is in force in Gibraltar by 30 June 2020. That system shall ensure reciprocal access to the information on traceability of cigarettes in Spain and Gibraltar.

- II. Notifications
 2. The following rules shall apply to notifications between the Parties and the arbitration panel:
 - (a) the arbitration panel shall send all requests, notices, written submissions and other documents to both Parties at the same time;
 - (b) where a Party addresses a request, notice, written submission or other document to the arbitration panel, it shall send a copy thereof to the other Party at the same time; and
 - (c) where a Party addresses a request, notice, written submission or other document in relation to the dispute to the other Party, it shall send a copy thereof to the arbitration panel at the same time.
 3. Any notification referred to in point 2 shall be made by e-mail or, where appropriate, any other means of telecommunication that provides a record of the sending thereof. Unless proven otherwise, such notification shall be deemed to have been delivered on the date of its sending. All notifications shall be addressed to the Legal Service of the European Commission and to the Legal Adviser of the Foreign and Commonwealth Office of the United Kingdom, respectively.
 4. The International Bureau of the Permanent Court of Arbitration shall, upon the written request of the Parties or the arbitration panel, act as a channel of communications between the Parties and the arbitration panel.
 5. Minor errors of a clerical nature in any request, notice, written submission or other document related to the proceedings before the arbitration panel may be corrected by delivery of a new document clearly indicating the changes.
 6. If the last day for delivery of a document falls on a weekend or legal holiday applicable to the European Commission or to the Foreign and Commonwealth Office of the

United Kingdom, as the case may be, the document may be delivered on the next working day. No later than 30 September of each year, the Union and the United Kingdom shall inform each other as well as, in the case referred to in point 4, the International Bureau of the Permanent Court of Arbitration, of the legal holidays applicable to the European Commission and to the Foreign and Commonwealth Office of the United Kingdom, respectively.

III. Appointment and replacement of members of an arbitration panel

7. If, pursuant to Article 171(5) of the Agreement, one or more members of an arbitration panel are to be selected by lot, the International Bureau of the Permanent Court of Arbitration shall promptly inform the Parties of the date, time and venue of the selection. The Parties may choose to be present during the selection. However, the absence of one or both of the Parties shall not preclude the selection from being carried out.
8. The International Bureau of the Permanent Court of Arbitration shall notify, in writing, each person who has been selected to serve as a member of an arbitration panel of his or her appointment. Each person selected shall, within 5 days from that notification, confirm his or her availability to the International Bureau of the Permanent Court of Arbitration and to both Parties.
9. Where a Party considers that a member of the arbitration panel does not comply with the Code of Conduct set out in Part B and for that reason needs to be replaced, that Party shall notify the other Party within 15 days from the time at which it obtained sufficient evidence of that member's alleged non-compliance.
10. The Parties shall consult each other within 15 days from the notification referred to in point 9. They shall inform the member of the arbitration panel of the alleged non-compliance and may request that member to take steps to remedy the situation. They may also jointly decide to remove that member and to select a new member in accordance with Article 171 of the Agreement.

If the Parties fail to agree on whether to replace a member of the arbitration panel other than its chairperson, either Party may request that this matter be referred to the chairperson of that panel, whose decision shall be final.

If the chairperson of the arbitration panel finds that the member of the arbitration panel does not comply with the Code of Conduct, a new member of the arbitration panel shall be selected in accordance with Article 171 of the Agreement.

11. If the Parties fail to agree on whether to replace the chairperson, either Party may request that this matter be referred to one of the remaining persons who have been jointly proposed by the Union and the United Kingdom to act as chairperson in accordance with the third sentence of Article 171(1) of the Agreement (the 'selected person'). The name of the selected person shall be drawn by lot by the Secretary-General of the Permanent Court of Arbitration.

If the selected person finds that the chairperson does not comply with the Code of Conduct, a new chairperson shall be selected in accordance with Article 171 of the Agreement from among the persons who have been jointly proposed by the Union and the United Kingdom to act as chairperson, with the exception of the selected person.

IV. Financial issues

12. The Parties shall share equally the expenses arising from the establishment and operation of an arbitration panel, including the remuneration and expenses to be paid to the members of that arbitration panel.
13. The Parties shall agree with the arbitration panel, within 7 days of its establishment, on:
 - (a) the remuneration and expenses to be paid to the members of the arbitration panel, which shall be reasonable and in accordance with WTO standards;
 - (b) the remuneration to be paid to assistants; for each member of the arbitration panel, the total amount of remuneration to be paid to assistants shall be reasonable and in any event shall not exceed one third of the remuneration of that member.

Such agreement may be reached by any means of communication.

15. The complainant shall address its written submission to the arbitration panel no later than 20 days after the date of establishment of the indicative timetable. The respondent shall address its written submission to the arbitration panel no later than 20 days after the date on which it has received a copy of the written submission of the complainant.

VI. Operation of the arbitration panel

16. The chairperson of the arbitration panel shall preside over all its meetings. The arbitration panel may delegate to the chairperson the authority to make administrative and procedural decisions.
17. Unless otherwise provided in this Agreement or in these Rules of Procedure, the arbitration panel may conduct its proceedings and deliberations by any means of communication.
18. Only members of the arbitration panel may take part in the deliberations of the arbitration panel, but the arbitration panel may permit the members' assistants to be present at its deliberations.
19. The drafting of any ruling or decision shall remain the exclusive responsibility of the members of the arbitration panel, and shall not be delegated to any other person.
20. The International Bureau of the Permanent Court of Arbitration shall provide secretariat services and other logistic support to the arbitration panel.
21. Where a procedural question arises that is not covered by this Agreement or by these Rules of Procedure, the arbitration panel may, after consulting the Parties, decide on the procedure to be followed, provided that the latter is compatible with this Agreement and with these Rules of Procedure.
22. If the arbitration panel considers that there is a need to change any of the time periods for the proceedings referred to in these Rules of Procedure or to make any other procedural or administrative adjustment, it shall inform the Parties in writing, after consulting the Parties, of the reasons for the change or adjustment and the time period or adjustment needed.

VII. Hearings

23. Based upon the indicative timetable established pursuant to point 14, after consulting the Parties and the other members of the arbitration panel, the chairperson shall notify the Parties of the date, time and venue of the hearing. That information shall be made publicly available, unless the hearing is closed to the public.

The arbitration panel may decide, in agreement with the Parties, not to hold a hearing.

24. Unless the Parties agree otherwise, the hearing shall be held in The Hague, in the premises of the Permanent Court of Arbitration.
25. The arbitration panel may convene additional hearings if the Parties so agree.
26. All members of the arbitration panel shall be present during the entirety of the hearing.
27. Unless the Parties agree otherwise, the following persons may attend the hearing, irrespective of whether the hearing is open to the public or not:
- (a) representatives of a Party;
 - (b) advisers;
 - (c) assistants;
 - (d) interpreters, translators and court reporters of the arbitration panel; and
 - (e) experts, as decided by the arbitration panel.
28. No later than 5 days before the date of a hearing, each Party shall address to the arbitration panel and to the other Party a list of the names of persons who will make oral arguments or presentations at the hearing on behalf of that Party and the names of other representatives and advisers who will be attending the hearing.
29. The arbitration panel shall conduct the hearing in the following manner, ensuring that the complainant and the respondent are afforded equal time in both argument and reply:
- (a) argument:
 - (i) argument of the complainant;
 - (ii) argument of the respondent;
 - (b) reply:
 - (i) reply of the complainant;
 - (ii) counter-reply of the respondent.
30. The arbitration panel may direct questions to either Party at any time during the hearing.
31. The arbitration panel shall arrange for a transcript of the hearing to be prepared and delivered to the Parties as soon as possible after the hearing. The Parties may comment on the transcript and the arbitration panel may consider those comments.

32. Each Party may address a supplementary written submission to the arbitration panel concerning any matter that arose during the hearing within 10 days after the date of the hearing.

VIII. Questions in writing

33. The arbitration panel may at any time during the proceedings submit questions in writing to one or both Parties.

34. Each Party shall have an opportunity to provide comments in writing on the other Party's responses to questions submitted by the arbitration panel within 5 days after the date on which it has received a copy of those responses.

IX. Confidentiality

35. Any information submitted by a Party to the arbitration panel which that Party has designated as confidential shall be treated as confidential by the other Party and by the panel. When a Party submits to the arbitration panel a written submission which contains confidential information, it shall also provide, within 15 days, a submission without the confidential information and which shall be disclosed to the public.

36. Nothing in these Rules of Procedure shall preclude a Party from disclosing its own written submissions, responses to questions submitted by the arbitration panel or transcript of oral argument to the public, provided that, when making reference to information submitted by the other Party, it does not disclose any information designated by the other Party as confidential.

37. Hearings before the arbitration panel shall be open to the public except where the submission and arguments of a Party contain confidential information or where the Parties otherwise agree that the hearing shall be closed to the public. In such case the Parties shall maintain the confidentiality of the hearings of the arbitration panel.

X. Ex parte contacts

38. The arbitration panel shall not meet or otherwise orally communicate with a Party in the absence of the other Party.

XI. Urgent cases

39. In cases of urgency referred to in Article 173(2) of the Agreement, the arbitration panel, after consulting the Parties, shall adjust, as appropriate, the time periods referred to in these Rules of Procedure. The arbitration panel shall notify the Parties of those adjustments.

XII. Translation and interpretation

40. The language of proceedings before the arbitration panel shall be English. Decisions of the arbitration panel shall be issued in English.

41. Each Party shall bear its own costs of the translation of any documents submitted to the arbitration panel which are not originally drafted in English, as well as any costs relating to interpretation during the hearing related to its representatives or advisers.

Disclosure obligations

3. Prior to the confirmation of their selection as a member of an arbitration panel under this Agreement, candidates shall disclose to the Parties in writing any interest, relationship or matter of which they are aware that is likely to affect their independence or impartiality, or that might reasonably create an appearance of impropriety or bias in the proceedings before the arbitration panel.

Independence and impartiality of members of an arbitration panel

7. Members of an arbitration panel:

 - (b) shall not directly or indirectly incur any obligation or accept any benefit that would in any way interfere, or appear to interfere, with the proper performance of their duties;

- (c) shall not use their position as a member of an arbitration panel to advance any personal or private interests and shall avoid actions that may create the impression that others are in a special position to influence them;

Obligations of former members of an arbitration panel

8. All former members of an arbitration panel shall avoid actions that may create the appearance that they were biased in carrying out their duties or derived advantage from any decision or ruling of the arbitration panel.

Confidentiality

9. No member or former member of an arbitration panel shall at any time
- (a) disclose or use any non-public information concerning any proceedings before the arbitration panel or that was acquired during such proceedings, except for the purposes of those proceedings and in any case shall not disclose or use any such information to gain personal advantage or advantage for others or to adversely affect the interest of others;
