MENTAL HEALTH (WALES) MEASURE 2010

EXPLANATORY NOTES

COMMENTARY ON SECTIONS

Section 41 – Cooperative and joint working between Local Health Boards and local authorities

- 72. This section provides for co-operative and joint working between local authorities and LHBs for the purposes of their functions under Parts 1, 2 and 3 of the Measure. Different working arrangements can be reached in respect of the differing aspects of the Measure.
- 73. A diverse range of delivery options is available. For example, even if a LHB was responsible (under the scheme for local primary mental health support services) for providing all services, a local authority could provide premises for a mental health support services team; the team could all be employed by a LHB and the work could be funded by a joint-budget into which the authority and the Board make contributions. Alternatively, some of the team could be employed by a local authority but be put at the disposal of the LHB using the local authority's power in section 41(1)(a) to provide staff to the Board.
- 74. Subsection (3) makes clear that in relation to Parts 1 and 3 of the Measure the partners are empowered to 'act jointly' if, in the circumstances, they consider this appropriate.
