Part 7 – Communities and Community councils

Section 134 - Schemes for the accreditation of quality in community government

- 150. Enables the Welsh Ministers to make regulations to provide for an accreditation of quality scheme for community councils.
- 151. There is currently no national accreditation of quality scheme to assess the competence of community councils in Wales. The Welsh Ministers consider that there is value in developing such a scheme to help raise standards of local government by community councils.
- 152. The intention of the Welsh Ministers is that, in the first instance, a national accreditation of quality scheme in Wales should be developed and operated on a non-statutory basis. However, the Welsh Ministers consider that it would be beneficial to have a "reserve" power to introduce a statutory accreditation scheme should this be considered appropriate at some future point. This section provides this power.
