## EXPLANATORY NOTES

### COMMENTARY ON SECTIONS

#### **Part 2: Registered Social Landlords**

##### *Chapter 4 – Enforcement*

##### **Compensation**

##### *Section 69 - Representations*

157. This section inserts a new section 50T into the 1996 Act which allows the RSL to make representations to the Welsh Ministers in relation to compensation. The process specifies a similar procedure to that in section 50L of the 1996 Act (pre-penalty warnings - representations), as inserted by section 61 of this Measure.
