COMMENTARY ON SECTIONS

Part 3 - Litter

Section 22 – Fixed penalty notices: supplementary

This section introduces a new Article 18A into the Litter Order, relating to the fixed penalty notices associated with the offence of dropping litter, litter clearing notices, street litter control notices and the distribution of printed matter. It enables the Department to make regulations which may set a range within which a locally determined fixed penalty amount must fall. Such regulations may also restrict the extent to which and the circumstances in which a council may permit the payment of lesser amounts. Article 18A also enables the Department, by order, to change the amount of the fixed penalty where no local rate is set by the council.
