### COMMENTARY ON SECTIONS

#### **Part 4: Additional Planning Control.**

##### *Section 127: Preservation of trees in conservation areas*

This section applies the protection given by a Tree Preservation Order to trees within conservation areas. Thus it is an offence to carry out works to a tree within a conservation area unless notice was served of the intention to carry out works to the tree, consent was given, or the works were carried out 6 weeks after the notice was issued and before the end of 2 years from the issue of the notice.
