## Carrier Bags Act (Northern Ireland) 2014

## **EXPLANATORY NOTES**

## **CONSULTATION**

- 10. A consultation exercise carried out between 20 July and 12 October 2011 sought views on the main policy proposals for the implementation of carrier bag charging. A subsequent consultation between 16 April and 9 July 2012 sought views on the Department's specific legislative proposals for a minimum charge on single use carrier bags.
- 11. Both consultation papers also outlined that the Department was considering extending charging arrangements to certain types of reusable bags.
- 12. The majority of those who responded on this specific issue expressed the perception that it was primarily a means of generating additional revenue. In response the Department outlined the environmental rationale for such an extension.
