
Status: This version of this contains provisions that are prospective.
Changes to legislation: There are currently no known outstanding effects for the Reservoirs Act (Northern Ireland) 2015, Paragraph 5. (See end of Document for details)

SCHEDULES

PROSPECTIVE

SCHEDULE 1

PRE-COMMENCEMENT INSPECTION REPORTS: REVIEW OF DECISION UNDER SECTION 33(2)

5 The Department must notify the reservoir manager of its decision in the review by serving on the reservoir manager notice—

- (a) specifying whether it confirms the decision or has decided that the document is a pre-commencement inspection report,
- (b) where it has confirmed its decision, specifying the reasons for doing so.

Status:

This version of this contains provisions that are prospective.

Changes to legislation:

There are currently no known outstanding effects for the Reservoirs Act (Northern Ireland) 2015, Paragraph 5.
