PART 14

MISCELLANEOUS

Advance decisions to refuse treatment

Review of law relating to advance decisions

284.—(1) Before the third anniversary of the day this section comes into operation, the Department must—

- (a) review the law relating to advance decisions to refuse treatment; and
 - (b) produce a report setting out the conclusions reached on the review (including any proposals for changes to that law).
- (2) The Department must lay a copy of the report before the Assembly.
