Section 95: Power to charge

Section 95 provides the Department with the power to charge a fee to adopters or prospective adopters for services provided or to be provided by the Department in relation to intercountry adoptions (*subsection (2)*). The Department may determine how much to charge, and may, in particular, charge a single flat fee or set different fees for different cases (*subsection (3)*), providing the fee income received, taking one financial year with another, is not greater than the cost of providing the services (*subsection (4)*). Subsection (3) also provides the Department with discretion to waive the fee in any given case.
