## Climate Change Act (Northern Ireland) 2022

## **EXPLANATORY NOTES**

## **COMMENTARY ON SECTIONS**

**Part 1 - Emissions Targets** 

Section 2: Emissions targets for 2030 and 2040

This section imposes a duty on the Department to set targets for 2030 and 2040 which are consistent with the target in section 1. It will be noted that section 3 already imposes a duty on Northern Ireland departments to ensure that the net Northern Ireland emissions account in 2040 is consistent with the 2050 target, and that section 4 already sets a target for the year 2030. This section also needs to be read alongside section 6.
