

## 2022 CHAPTER 31

### PART 4

#### Reports by Committee on Climate Change

##### **Progress report after statement about emissions target for 2040**

**46.—**(1) No later than six months after the Department lays the statement under section 41 for 2040 before the Assembly, the Committee on Climate Change must send a report to the Department setting out the Committee's views on—

- (a) whether the emissions targets for 2050 are the highest achievable targets,
- (b) if either of them is not the highest achievable target—
  - (i) what is the highest achievable target, and
  - (ii) what further measures are needed to meet the highest achievable target.

(2) The Department must lay a copy of the report before the Assembly as soon as reasonably practicable after receiving it.
