Deferment of added pension attributable to recent payments

- 71.—**(1) This regulation applies in relation to a member of this scheme—
- (a) who is entitled to payment of an ill-health pension; and
 - (b) whose active member’s account as at the end of the last day of pensionable service specifies an amount of accrued added pension that is attributable in whole or in part to a lump sum payment for added pension made under Schedule 1 within the 12 months before the relevant day.
- (2) The member becomes a deferred member of this scheme in respect of that amount of accrued added pension and accordingly—
- (a) a deferred member’s account must be established under Part 5;
 - (b) that amount of accrued added pension must be specified in the deferred member’s account as the provisional amount of the relevant description of deferred added pension; and
 - (c) that amount of accrued added pension is not included in the calculation of the annual rate of full retirement added pension payable with the ill-health pension.
- (3) In paragraph (1), “the relevant day” means—
- (a) the day on which a medical certificate is produced in accordance with regulation 68(1) by virtue of which the member is entitled to payment of the ill-health pension; or
 - (b) if the member was on sick leave on that day and did not return to service from that leave, the day on which that leave began.
