

SCHEDULE 2

Transitional provisions

PART 6

Payment of death benefits in respect of transition members with continuity of service

Death in service lump sum

18.—(1) This paragraph applies in relation to a transition member with continuity of service who dies in service within the meaning of regulation 121.

(2) On the death of the member—

- (a) a lump sum death benefit is payable under regulation 121; but
- (b) a death in service lump sum death benefit is not payable under an existing scheme.
