- (b) a sum in respect of that mortgage interest is or was brought into account in determining the applicable amount for the purposes of income support in the case of the borrower or the partner, former partner or qualifying associate;

and any reference in this Article to “the relevant beneficiary” is a reference to the person whose applicable amount for the purposes of income support is or was determined as mentioned in sub-paragraph (b).

(2) Without prejudice to sub-paragraphs (j) and (q) of Article 52(1), regulations may, in relation to cases where this Article applies, make provision—

- (a) requiring that, in prescribed circumstances, a prescribed part of any relevant benefits to which the relevant beneficiary is entitled shall be paid by the Department directly to the qualifying lender and applied by that lender towards the discharge of the liability in respect of the mortgage interest;
- (b) for the expenses of the Department in administering the making of payments under the regulations to be defrayed, in whole or in part, at the expense of qualifying lenders, whether by requiring them to pay prescribed fees or by deducting and retaining a prescribed part of the payments that would otherwise be made to them under the regulations or by such other method as may be prescribed;
- (c) for requiring a qualifying lender, in a case where by virtue of sub-paragraph (b) the amount of the payment made to him under the regulations is less than it would otherwise have been, to credit against the liability in respect of the mortgage interest (in addition to the payment actually made) an amount equal to the difference between—
  - (i) the payment that would have been so made, apart from sub-paragraph (b); and
  - (ii) the payment actually made;

“partner” means—

- (b) any person to whom the borrower is not married but who lives together with the borrower as husband and wife, otherwise than in prescribed circumstances;
