- (a) a past member is not liable to contribute if he has ceased to be a member for one year or more before the commencement of the winding up;

- (f) a sum due to any member of the company (in his character of a member) by way of dividends, profits or otherwise is not deemed to be a debt of the company, payable to that member in a case of competition between himself and any other creditor not a member of the company, but any such sum may be taken into account for the purpose of the final adjustment of the rights of the contributories among themselves.

(3) In the case of a company limited by guarantee, no contribution is required from any member exceeding the amount undertaken to be contributed by him to the company's assets in the event of its being wound up; but if it is a company with a share capital, every member of it is liable (in addition to the amount so undertaken to be contributed to the assets), to contribute to the extent of any sums unpaid on shares held by him.
