- (d) such particulars of the allocation formula under the scheme as the Department may direct;
- (e) in the case of each school required to be covered by the scheme in that year, the planned expenditure per pupil arising from the division of the school's budget share (as so determined) by the initial pupil number;

(5) After the end of each financial year the board shall prepare a statement containing such information with respect to—

- (a) expenditure actually incurred in that year for the purposes of all schools required to be covered by the scheme; and
- (b) expenditure so incurred which was incurred, or is treated by the board as having been incurred, for the purposes of each such school,

as the Department may direct.
