- (b) requiring such steps as may be specified in the notice to be taken to remedy^[F1] wholly or partly] the contravention.

(4) A copy of a hazardous substances contravention notice shall be served—

- (a) on the owner and on the occupier of the land to which it relates;
- (b) on any person other than the owner or occupier who appears to the Department to be in control of that land; and
- (c) on such other persons as may be prescribed.

(5) A hazardous substances contravention notice shall also specify—

- (a) a date not less than 28 days from the date of service of copies of the notice as the date on which it is to take effect;
- (b) in respect of each of the steps required to be taken to remedy the contravention of hazardous substances control, the period from the notice taking effect within which the step is to be taken.

(6) Where the Department issues a hazardous substances contravention notice the steps required by the notice may, without prejudice to the generality of paragraph (3)(b), if the Department thinks it expedient, include a requirement that the hazardous substance be removed from the land.

(7) Where a notice includes such a requirement, it may also contain a direction that at the end of such period as may be specified in the notice any hazardous substances consent for the presence of the substance shall cease to have effect or, if it relates to more than one substance, shall cease to have effect so far as it relates to the substance which is required to be removed.

(8) The Department may withdraw a hazardous substances contravention notice (without prejudice to its power to issue another) at any time before^[F1] or after] it takes effect.
