- (a) cannot be achieved otherwise than by means of such an order, or

- (a) in spite of any enactment or rule of law, or any rule of the scheme, which would otherwise operate to prevent the winding up, or
- (b) except for the purpose of the Authority determining whether they are satisfied as mentioned in paragraph (2), without regard to any such enactment, rule of law or rule of the scheme as would otherwise require, or might otherwise be taken to require, the implementation of any procedure or the obtaining of any consent, with a view to the winding up.

[^{F16}(6A) Paragraph (6) does not have effect to authorise the Authority to make an order as mentioned in sub-paragraph (a) or (b) of that paragraph, if their doing so would be unlawful as a result of section 6(1) of the Human Rights Act 1998 (unlawful for public authority to act in contravention of a Convention right).]

[^{F76}Restriction on increase where annuity tied to investments

51A.—(1) No increase under Article 51 is required to be made, at any time on or after the relevant date, of so much of any pension under a money purchase scheme as—

- (a) is payable by way of an annuity the amount of which for any year after the first year of payment is determined (whether under the terms of the scheme or under the terms of the annuity contract in pursuance of which it is payable) by reference to fluctuations in the value of, or the return from, particular investments,
- (b) does not represent benefits payable in respect of the protected rights of any member of the scheme, and
- (c) satisfies such other conditions (if any) as may be prescribed.

(2) For the purposes of this Article it shall be immaterial whether the annuity in question is payable out of the funds of the scheme in question or under an annuity contract entered into for the purposes of the scheme.

Restriction on increase where member is under 55

52.—(1) Subject to paragraph (2), no increase under Article 51 is required to be paid to or for a member of a scheme whose pension is in payment but who has not attained the age of 55 at the time when the increase takes effect.

(2) Paragraph (1) does not apply if the member—

- (a) is permanently incapacitated by mental or physical infirmity from engaging in regular full-time employment, or
- (b) has retired on account of mental or physical infirmity from the employment in respect of which, or on retirement from which, the pension is payable.

(3) The rules of a scheme may provide that if, in a case where a pension has been paid to or for a member under the age of 55 at an increased rate in consequence of paragraph (2), the member—

- (a) ceases to suffer from the infirmity in question before he attains the age of 55, but
- (b) continues to be entitled to the pension,

any increases subsequently taking effect under Article 51 in the annual rate of the pension shall not be paid or shall not be paid in full.

(4) In any case where—

- (a) by virtue only of paragraph (1) or (3), increases are not paid to or for a member or are not paid in full, but
- (b) the member attains the age of 55 or, in a case falling within paragraph (3), again satisfies the condition set out in paragraph (2)(a) or (b),

his pension shall then become payable at the annual rate at which it would have been payable apart from paragraph (1) or (3).

Effect of increases above the statutory requirement

53.—(1) Where in any tax year the trustees or managers of an occupational pension scheme make an increase in a person's pension, not being an increase required by section 105 of the Pension Schemes Act or Article 51, they may deduct the amount of the increase from any increase which, but for this paragraph, they would be required to make under that section or Article in the next tax year.

(2) Where in any tax year the trustees or managers of such a scheme make an increase in a person's pension and part of the increase is not required by section 105 of the Pension Schemes Act or Article 51, they may deduct that part of the increase from any increase which, but for this paragraph, they would be required to make under that section or Article in the next tax year.

(3) Where by virtue of paragraph (1) or (2) any pensions are not required to be increased in pursuance of section 105 of the Pension Schemes Act or Article 51, or not by the full amount that they otherwise would be, their amount shall be calculated for any purpose as if they had been increased in pursuance of that section or Article or, as the case may be, by that full amount.

[^{F77}(3A) In paragraphs (1) and (2), the references to a person's pension do not include any pension which is attributable (directly or indirectly) to a pension credit.]

Equal treatment

The equal treatment rule

62.—(1) An occupational pension scheme which does not contain an equal treatment rule shall be treated as including one.

(2) An equal treatment rule is a rule which relates to the terms on which—

(a) persons become members of the scheme, and

(b) members of the scheme are treated.

(3) Subject to paragraph (6), an equal treatment rule has the effect that where—

(a) a woman is employed on like work with a man in the same employment,

(b) a woman is employed on work rated as equivalent with that of a man in the same employment, or

(c) a woman is employed on work which, not being work in relation to which sub-paragraph (a) or (b) applies, is, in terms of the demands made on her (for instance under such headings as effort, skill and decision) or equal value to that of a man in the same employment,

but (apart from the rule) any of the terms referred to in paragraph (2) is or becomes less favourable to the woman than it is to the man, the term shall be treated as so modified as not to be less favourable.

(4) An equal treatment rule does not operate in relation to any difference as between a woman and a man in the operation of any of the terms referred to in paragraph (2) if the trustees or managers of the scheme prove that the difference is genuinely due to a material factor which—

(a) is not the difference of sex, but

(b) is a material difference between the woman's case and the man's case.

(5) References in paragraph (4) and Articles 63 to 65 to the terms referred to in paragraph (2), or the effect of any of those terms, include—

(a) a term which confers on the trustees or managers of an occupational pension scheme, or any other person, a discretion which, in a case within any of sub-paragraphs (a) to (c) of paragraph (3)—

(i) may be exercised so as to affect the way in which persons become members of the scheme, or members of the scheme are treated, and

(ii) may (apart from the equal treatment rule) be so exercised in a way less favourable to the woman than to the man, and

(b) the effect of any exercise of such a discretion;

and references to the terms on which members of the scheme are treated are to be read accordingly.

(6) In the case of a term within paragraph (5)(a) the effect of an equal treatment rule is that the term shall be treated as so modified as not to permit the discretion to be exercised in a way less favourable to the woman than to the man.

Equal treatment rule: supplementary

63.—(1) The reference in Article 62(2) to the terms on which members of a scheme are treated includes those terms as they have effect for the benefit of dependants of members, and the reference in Article 62(5) to the way in which members of a scheme are treated includes the way they are treated as it has effect for the benefit of dependants of members.

(2) Where the effect of any of the terms referred to in Article 62(2) on persons of the same sex differs according to their^{F80} family, marital or civil partnership status], the effect of the term is to be compared for the purposes of Article 62 with its effect on persons of the other sex who have the same status.

(3) An equal treatment rule has effect subject to paragraphs 5 and 6 of Schedule 5 to the Social Security (Northern Ireland) Order 1989^{F81} (employment-related benefit schemes: maternity and family leave provisions).

(4) Article 62 shall be construed as one with section 1 of the Equal Pay Act (Northern Ireland) 1970^{F82} (requirement of equal treatment for men and women in the same employment); and sections 2 and 2A of that Act (disputes and enforcement) shall have effect for the purposes of Article 62 as if—

- (d) references to section 1(2)(c) were to Article 62(3)(c).

Equal treatment rule: exceptions

64.—(1) An equal treatment rule does not operate in relation to any variation as between a woman and a man in the effect of any of the terms referred to in Article 62(2) if the variation is permitted by or under any of the provisions of this Article.

(2) Where a man and a woman are eligible, in prescribed circumstances, to receive different amounts by way of pension, the variation is permitted by this paragraph if, in prescribed circumstances, the differences are attributable only to differences between men and women in the benefits under sections 43 to 55 of the Contributions and Benefits Act (state retirement pensions) to which, in prescribed circumstances, they are or would be entitled.

(3) A variation is permitted by this paragraph if—

- (a) the variation consists of the application of actuarial factors which differ for men and women to the calculation of contributions to a scheme by employers, being factors which fall within a prescribed class or description, or
- (b) the variation consists of the application of actuarial factors which differ for men and women to the determination benefits falling within a prescribed class or description;

and in this paragraph “benefits” include any payment or other benefit made to or in respect of a person as a member of the scheme.

(4) Regulations may—

- (a) permit further variations, or
- (b) amend or repeal paragraph (2) or (3);

and regulations made by virtue of this paragraph may have effect in relation to pensionable service on or after 17th May 1990 and before the date on which the regulations are made.

- (2) The alterations may have effect in relation to a period before the alterations are made.

- 66.—(1) In section 6 of the Equal Pay Act (Northern Ireland) 1970^{F86} (exclusions), for subsections (1A) and (2) (exclusion for terms related to death or retirement) substitute—

“(1B) An equality clause shall not operate in relation to terms relating to a person's membership of, or rights under, an occupational pension scheme, being terms in relation to which, by reason only of any provision made by or under Articles 62 to 64 of the Pensions (Northern Ireland) Order 1995 (equal treatment), an equal treatment rule would not operate if the terms were included in the scheme.

(1C) In subsection (1B), “occupational pension scheme” has the same meaning as in the Pension Schemes (Northern Ireland) Act 1993 and “equal treatment rule” has the meaning given by Article 62 of the Pensions (Northern Ireland) Order 1995.”.

- (2) In Article 6(1) of the Sex Discrimination (Northern Ireland) Order 1976^{F87} (victimisation of complainants, etc.)—

“(4) Paragraphs (1)(b) and (2) do not render it unlawful for a person to discriminate against a woman in relation to her membership of, or rights under, an occupational pension scheme in such a way that, were any term of the scheme to provide for discrimination in that way, then, by reason only of any provision made by or under Articles 62 to 64 of the Pensions (Northern Ireland) Order 1995 (equal treatment), an equal treatment rule would not operate in relation to that term.

(4A) In paragraph (4), “occupational pension scheme” has the same meaning as in the Pension Schemes (Northern Ireland) Act 1993 and “equal treatment rule” has the meaning given by Article 62 of the Pensions (Northern Ireland) Order 1995.”

- (4) Regulations may make provision—
- (a) for the Equal Pay Act (Northern Ireland) 1970^{F88} to have effect, in relation to terms of employment relating to membership of, or rights under, an occupational pension scheme with prescribed modifications, and
 - (b) for imposing requirements on employers as to the payment of contributions and otherwise in case of their failing or having failed to comply with any such terms.

 - (b) in relation to the survivor of a member of an occupational pension scheme, at any time, any entitlement to benefits, or right to future benefits, which he has at that time under the scheme rules in respect of the member.

For this purpose, “right” includes a pension credit right.

(7) At any time when the pensionable service of a member of an occupational pension scheme is continuing, his subsisting rights are to be determined as if he had opted, immediately before that time, to terminate that service.

- (8) “Scheme rules”, in relation to a scheme, means—

71.—(1) An order under sub-paragraph (a) of paragraph (1) of Article 69 may enable those exercising any power conferred by the order to exercise it retrospectively (whether or not the power

could otherwise be so exercised) and an order under sub-paragraph (b) of that paragraph may modify a scheme retrospectively.

(2) Any modification of a scheme made in pursuance of an order of the Authority under Article 69 is as effective in law as if it had been made under powers conferred by or under the scheme.

(3) An order under Article 69 may be made and complied with in relation to a scheme—

- (a) in spite of any enactment or rule of law, or any rule of the scheme, which would otherwise operate to prevent the modification being made, or
- (b) without regard to any such enactment, rule of law or rule of the scheme as would otherwise require, or might otherwise be taken to require, the implementation of any procedure or the obtaining of any consent, with a view to the making of the modification.

(4) In this Article, “retrospectively” means with effect from a date before that on which the power is exercised or, as the case may be, the order is made.

[^{F112}Modification by Authority to secure winding-up

71A.—(1) The Authority may at any time while—

- (a) an occupational pension scheme is being wound up, and
- (b) the employer in relation to the scheme is subject to an insolvency procedure,

make an order modifying that scheme with a view to ensuring that it is properly wound up.

(2) The Authority shall not make such an order except on an application made to them, at a time such as is mentioned in paragraph (1), by the trustees or managers of the scheme.

(3) Except in so far as regulations otherwise provide, an application for the purposes of this Article must be made in writing.

(4) Regulations may make provision—

- (a) for the form and manner in which an application for the purposes of this Article is to be made to the Authority,
- (b) for the matters which are to be contained in such an application,
- (c) for the documents which must be attached to an application for the purposes of this Article or which must otherwise be delivered to the Authority with or in connection with any such application,
- (d) for persons to be required,^[F113]before an application is made for the purposes of this Article], to give such notifications of the making of^[F114]the application] as may be prescribed,
- (e) for the matters which are to be contained in a notification of such an application,
- (f) ^{F115}
- (g) ^{F115}

(5) The power of the Authority to make an order under this Article—

- (a) shall be limited to what they consider to be the minimum modification necessary to enable the scheme to be properly wound up, and
- (b) shall not include power to make any modification that would have a significant adverse effect on—
 - (i) the accrued rights of any member of the scheme, or
 - (ii) any person's entitlement under the scheme to receive any benefit.

(6) A modification of an occupational pension scheme by an order of the Authority under this Article shall be as effective in law as if—

- (a) it had been made under powers conferred by or under the scheme,
- (b) the modification made by the order were capable of being made in exercise of such powers notwithstanding any enactment, rule of law or rule of the scheme that would have prevented their exercise for the making of that modification, and
- (c) the exercise of such powers for the making of that modification would not have been subject to any enactment, rule of law or rule of the scheme requiring the implementation of any procedure or the obtaining of any consent in connection with the making of a modification.

(7) Regulations may provide that, in prescribed circumstances, this Article—

- (a) does not apply in the case of occupational pension schemes of a prescribed class or description, or
- (b) in the case of occupational pension schemes of a prescribed class or description applies with prescribed modifications.

(8) The times when an employer in relation to an occupational pension scheme shall be taken for the purposes of this Article to be subject to an insolvency procedure are—

- (a) in the case of a trust scheme, while Article 22 applies in relation to the scheme, and
- (b) in the case of a scheme that is not a trust scheme, while Article 22 would apply in relation to the scheme if it were a trust scheme,

and for the purposes of this paragraph no account shall be taken of modifications or exclusions contained in any regulations under Article 115.

Modification of public service pension schemes

72.—(1) The appropriate authority may make such provision for the modification of a public service pension scheme as could be made in respect of a scheme, other than a public service pension scheme, by an order of the Authority under Article 69(1)(b).

(3) The powers of the appropriate authority under this Article are exercisable by means of an order—

- (a) directly modifying the scheme (without regard, in the case of a scheme contained in or made under powers conferred by an enactment, to the terms of the enactment or any of its restrictions), or

- (b) modifying an enactment under which the scheme was made or by virtue of which it has effect.

[^{F116}Directions by Authority for facilitating winding-up

72B.—(1) Subject to the following provisions of this Article, the Authority shall have power, at any time after the winding-up of an occupational pension scheme has begun, to give directions under this Article if they consider that the giving of the direction is appropriate on any of the grounds set out in paragraph (2).

(2) Those grounds are—

- (a) that the trustees or managers of the scheme are not taking all the steps in connection with the winding-up that the Authority consider would be being taken if the trustees or managers were acting reasonably,
- (b) that steps being taken by the trustees or managers for the purposes of the winding-up involve things being done with what the Authority consider to be unreasonable delay,
- (c) that the winding-up is being obstructed or unreasonably delayed by the failure of any person—
 - (i) to provide information to the trustees or managers,
 - (ii) to provide information to a person involved in the administration of the scheme,
 - (iii) to provide information to a person of a prescribed description, or
 - (iv) to take any step (other than the provision of information) that he has been asked to take by the trustees or managers,
- (d) that the winding-up would be likely to be facilitated or accelerated by the taking by any person other than the trustees or managers of any other steps,
- (e) that in any prescribed circumstances not falling within sub-paragraphs (a) to (d)—
 - (i) the provision by any person of any information to the trustees or managers or to any other person, or
 - (ii) the taking of any other step by any person,
 would be likely to facilitate or accelerate the progress of the winding-up.

(3) Except in prescribed circumstances, the power of the Authority to give a direction under this Article in the case of a winding-up shall be exercisable only where—

- (a) periodic reports about the progress of the winding-up are required to be made under Article 72A, and
- (b) the first report that has to be made for the purposes of that Article in the case of that winding-up either has been made or should have been made.

(4) Regulations may provide that, in prescribed circumstances, the Authority shall not give a direction on the ground set out in paragraph (2)(e) except in response to an application made by the trustees or managers of the scheme for the giving of a direction on that ground.

(5) A direction under this Article is a direction in writing given to and imposing requirements on—

- (a) any or all of the trustees or managers of the scheme,
- (b) a person who is involved in its administration, or
- (c) a person of a prescribed description.

(6) The requirements that may be imposed by a direction under this Article are any requirement for the person to whom it is given, within such period specified in the direction as the Authority may consider reasonable—

- (a) to provide the trustees or managers with all such information as may be specified or described in the direction,
 - (b) to provide a person involved in the administration of the scheme with all such information as may be so specified or described,
 - (c) to provide a person who is of a prescribed description with all such information as may be so specified or described,
 - (d) to take such steps (other than the provision of information) as may be so specified or described.
- (7) ^{F119}
- (8) Regulations may—
- (a) impose limitations on the steps that a person may be required to take by a direction under this Article,
 - (b) ^{F120}
- (9) In this Article references, in relation to a scheme, to a person involved in the administration of the scheme are (subject to paragraph (10)) references to any person who is so involved otherwise than as—
- (a) the employer in relation to that scheme,
 - (b) a trustee or manager of the scheme,
 - (c) the auditor of the scheme or its actuary,
 - (d) a legal adviser of the trustees or managers of the scheme,
 - (e) a fund manager for the scheme,
 - (f) a person acting on behalf of a person who is involved in the administration of the scheme,
 - (g) a person providing services to a person so involved,
 - (h) a person acting in his capacity as an employee of a person so involved,
 - (i) a person who would fall within any of sub-paragraphs (f) to (h) if persons acting in relation to the scheme in any capacity mentioned in the preceding sub-paragraphs were treated as involved in the administration of a scheme.
- (10) In this Article references, in relation to a scheme, to a person involved in the administration of the scheme do not include references to persons of a particular description if regulations provide for persons of that description to be excluded from those references.

- (a) is a person to whom a direction under Article 72B is given otherwise than in the capacity of a trustee or manager, and

(5) For the purposes of this Article it shall not be a reasonable excuse in relation to any failure to provide information in pursuance of a direction under Article 72B that the provision of that information would (but for the duty imposed by paragraph (1) of this Article) involve a breach by any person of a duty owed to another not to disclose that information.]

Winding up

[^{F121} Preferential liabilities on winding up

73.—(1) This Article applies where an occupational pension scheme to which this Article applies is being wound up to determine the order in which the assets of the scheme are to be applied towards satisfying the liabilities of the scheme in respect of pensions and other benefits.

(2) This Article applies to an occupational pension scheme other than a scheme which is—

- (a) a money purchase scheme, or
- (b) a prescribed scheme or a scheme of a prescribed description.

(3) The assets of the scheme must be applied first towards satisfying the amounts of the liabilities mentioned in paragraph (4) and, if the assets are insufficient to satisfy those amounts in full, then—

- (a) the assets must be applied first towards satisfying the amounts of the liabilities mentioned in earlier sub-paragraphs of paragraph (4) before the amounts of the liabilities mentioned in later sub-paragraphs, and
- (b) where the amounts of the liabilities mentioned in one of those sub-paragraphs cannot be satisfied in full, those amounts must be satisfied in the same proportions.

(4) The liabilities referred to in paragraph (3) are—

- (a) where—
 - (i) the trustees or managers of the scheme are entitled to benefits under a relevant pre-1997 contract of insurance entered into in relation to the scheme, and
 - (ii) either that contract may not be surrendered or the amount payable on surrender does not exceed the liability secured by the contract,
 the liability so secured;

(b) ^{F122} any liability for pensions or other benefits to the extent that the amount of the liability does not exceed the corresponding PPF liability, other than a liability within sub-paragraph (a);

(c) any liability for pensions or other benefits which, in the opinion of the trustees or managers, are derived from the payment by any member of voluntary contributions, other than a liability within sub-paragraph (a) or (b);

(d) any other liability in respect of pensions or other benefits.

(5) For the purposes of paragraph (4)—

“corresponding PPF liability” in relation to any liability for pensions or other benefits means—

- (a) where the liability is to a member of the scheme, the cost of securing benefits for or in respect of the member corresponding to the compensation which would be payable to or in respect of the member in accordance with the pension compensation provisions if the Board of the Pension Protection Fund assumed responsibility for the scheme in accordance with Chapter 3 of Part III of the Pensions (Northern Ireland) Order 2005 (pension protection), and

- (b) where the liability is to another person in respect of a member of the scheme, the cost of securing benefits for that person corresponding to the compensation which would be payable to that person in respect of the member in accordance with the pension compensation provisions if the Board assumed responsibility for the scheme in accordance with that Chapter;
- “relevant pre-1997 contract of insurance” means a contract of insurance which was entered into before 6th April 1997 with a view to securing the whole or part of the scheme's liability for—
- (a) any pension or other benefit payable to or in respect of one particular person whose entitlement to payment of a pension or other benefit has arisen, and
- (b) any benefit which will be payable in respect of that person on his death.
- (6) For the purposes of this Article, when determining the corresponding PPF liability in relation to any liability of a scheme to, or in respect of, a member for pensions or other benefits, the pension compensation provisions apply with such modifications as may be prescribed.
- (7) Regulations may modify paragraph (4).
- (8) For the purposes of that paragraph—
- (a) regulations may prescribe how it is to be determined whether a liability for pensions or other benefits which, in the opinion of the trustees or managers of the scheme, are derived from the payment by any member of voluntary contributions falls within sub-paragraph (a) or (b) of that paragraph;
- (b) no pension or other benefit which is attributable (directly or indirectly) to a pension credit is to be regarded for the purposes of sub-paragraph (c) of that paragraph as derived from the payment of voluntary contributions.
- (9) Where, on the commencement of the winding up period, a member becomes a person to whom Chapter 5 of Part IV of the Pension Schemes Act (early leavers: cash transfer sums and contribution refunds) applies, that Chapter applies in relation to him with such modifications as may be prescribed.
- (10) For the purposes of this Article—
- “assets” of a scheme to which this Article applies do not include any assets representing the value of any rights in respect of money purchase benefits under the scheme rules;
- “liabilities” of such a scheme do not include any liabilities in respect of money purchase benefits under the scheme rules;
- “the pension compensation provisions” has the same meaning as in Part III of the Pensions (Northern Ireland) Order 2005 (see Article 146 of that Order);
- “scheme rules” has the same meaning as in the Pensions (Northern Ireland) Order 2005 (see Article 2 of that Order);
- “winding up period”, in relation to an occupational pension scheme to which this Article applies, means the period which—
- (a) begins with (and includes) the day on which the time immediately after the beginning of the winding up of the scheme falls, and
- (b) ends when the winding up of the scheme is completed.]

Operation of scheme during winding up period

73A.—(1) This Article applies where an occupational pension scheme to which Article 73 applies is being wound up.

(2) During the winding up period, the trustees or managers of the scheme—

(a) ^{F123} must secure that any pensions or other benefits (other than money purchase benefits) paid to or in respect of a member are reduced, so far as necessary, to reflect the liabilities of the scheme to or in respect of the member which will be satisfied in accordance with Article 73, and

(b) ^{F123} may, for the purposes of sub-paragraph (a), take such steps as they consider appropriate (including steps adjusting future payments) to recover any overpayment or pay any shortfall.

(3) During the winding up period—

(a) no benefits may accrue under the scheme rules to, or in respect of, members of the scheme, and

(b) no new members of any class may be admitted to the scheme.

(4) Paragraph (3) does not prevent any increase, in a benefit, which would otherwise accrue in accordance with the scheme or any statutory provision.

(5) Paragraph (3) does not prevent the accrual of money purchase benefits to the extent that they are derived from income or capital gains arising from the investment of payments which are made by, or in respect of, a member of the scheme.

(6) Where a person is entitled to a pension credit derived from another person's shareable rights under the scheme, paragraph (3) does not prevent the trustees or managers of the scheme discharging their liability in respect of the credit under Chapter 1 of Part V of the Welfare Reform and Pensions (Northern Ireland) Order 1999 (sharing of rights under pension arrangements) by conferring appropriate rights under the scheme on that person.

(7) Regulations may require the trustees or managers of the scheme, in prescribed circumstances—

(a) to adjust the entitlement of a person to a pension or other benefit under the scheme rules where the entitlement arises as a result of a discretionary award which takes effect during the winding up period;

(b) to adjust the entitlement of a person (“the survivor”) to a pension or other benefit under the scheme rules where—

(i) a member of the scheme, or a person who was (or might have become) entitled to a pension or other benefit in respect of a member, dies during the winding up period, and

(ii) the survivor's entitlement is to a pension or other benefit in respect of the member (whether arising on the date of that death or subsequently).

(8) Regulations under paragraph (7) may, in particular—

(a) prescribe how the required adjustments to entitlement are to be determined and the manner in which they are to be made;

(b) in a case where the commencement of the winding up of the scheme is backdated (whether in accordance with Article 138 of

the Pensions (Northern Ireland) Order 2005 (requirement to wind up schemes with sufficient assets to meet protected liabilities) or otherwise), require any adjustment to a person's entitlement to be made with effect from the time the award takes effect;

(c) without prejudice to Articles 10(3) to (9), 73B(2) and 113, make provision about the consequences of breaching the requirements of the regulations.

(9) If the scheme confers power on any person other than the trustees or managers of the scheme to apply the assets of the scheme in respect of pensions or other benefits (including increases in pensions or benefits), it cannot be exercised by that person but may, subject to the provisions made by or by virtue of this Article and Articles 73 and 73B, be exercised instead by the trustees or managers.

(10) For the purposes of this Article—

“appropriate rights” has the same meaning as in paragraph 5 of Schedule 5 to the Welfare Reform and Pensions (Northern Ireland) Order 1999 (pension credits: mode of discharge);

“discretionary award” means an award of a prescribed description;

“shareable rights” has the same meaning as in Chapter 1 of Part V of the Welfare Reform and Pensions (Northern Ireland) Order 1999 (sharing of rights under pension arrangements);

and paragraph (10) of Article 73 applies as it applies for the purposes of that Article.

Articles 73 and 73A: supplementary

73B.—(1) Any action taken in contravention of Article 73A(3) is void.

(2) If any provision made by or by virtue of the winding up provisions is not complied with in relation to a scheme to which Article 73 applies, Article 10 applies to any trustee or manager of the scheme who has failed to take all reasonable steps to secure compliance.

(3) For the purposes of paragraph (2), when determining whether Article 73A(3) has been complied with paragraph (1) of this Article is to be disregarded.

(4) Regulations may—

(a) prescribe how, for the purposes of the winding up provisions—

- (i) the assets and liabilities of a scheme to which Article 73 applies, and
- (ii) their value or amount,

are to be determined, calculated and verified;

(b) modify any of the winding up provisions as it applies—

- (i) to prescribed schemes or prescribed descriptions of schemes;
- (ii) in relation to a scheme where only part of the scheme is being wound up;
- (iii) in relation to a case where any liability of the scheme in respect of a member has been discharged by virtue of regulations under Article 119(4) of the Pensions (Northern Ireland) Order 2005 (power to make regulations permitting discharge of scheme's liabilities during an assessment period).

(5) Without prejudice to the generality of paragraph (4), regulations under sub-paragraph (b)(i) of that paragraph may, in particular, modify any of the winding up provisions as it applies in relation to a scheme in relation to which there is more than one employer.

(6) The winding up provisions do not apply—

(a) in relation to any liability for an amount by way of pensions or other benefits which a person became entitled to payment of, under the scheme rules, before commencement of the winding up period,

(b) in prescribed circumstances, in relation to any liability in respect of rights of a prescribed description to which a member of the scheme became entitled under the scheme rules by

reason of his pensionable service under the scheme terminating before the commencement of the winding up period,

- (c) in relation to any liability in respect of rights of prescribed descriptions to which a member of the scheme had become entitled under the scheme rules before the commencement of the winding up period, or
- (d) in relation to any liability the discharge of which is validated under Article 120 of the Pensions (Northern Ireland) Order 2005 (power to validate actions taken during an assessment period to discharge liabilities of a scheme).

(7) But nothing in paragraph (6) prevents the winding up provisions applying in relation to a liability under Chapter 4 of Part IV of the Pension Schemes Act (transfer values) which—

- (a) arose before the commencement of the winding up of the scheme, and
- (b) was not discharged before the commencement of the winding up period.

(8) Regulations may provide that, in prescribed circumstances, where—

- (a) an occupational pension scheme to which Article 73 applies is being wound up,
- (b) a member of the scheme died before the winding up began, and
- (c) during the winding up period a person becomes entitled under the scheme rules to a benefit of a prescribed description in respect of the member,

his entitlement to payment of all or part of the benefit is, for the purposes of paragraph (6), to be treated as having arisen immediately before the commencement of the winding up period.

(9) If, immediately before the winding up period in relation to an occupational pension scheme to which Article 73 applies, a person is entitled to an amount but has postponed payment of it, he is not, for the purposes of paragraph (6), to be regarded as having become entitled to payment of the amount before that period.

(10) For the purposes of this Article—

- (b) paragraph (10) of Article 73 applies as it applies for the purposes of that Article.

(3) The ways referred to in paragraph (2) are—

- (a) by acquiring transfer credits allowed under the rules of another occupational pension scheme which satisfies prescribed requirements and the trustees or managers of which are able and willing to accept payment in respect of the member,
- (b) by acquiring rights allowed under the rules of a personal pension scheme which satisfies prescribed requirements and the trustees or managers of which are able and willing to accept payment in respect of the member's accrued rights^{F125} or pension credit rights],

75.—[^{F127}(1) This Article applies in relation to an occupational pension scheme other than a scheme which is—

(a) a money purchase scheme, or

(b) a prescribed scheme or a scheme of a prescribed description.

(2) If—

(a) at any time which falls—

(i) when a scheme is being wound up, but

(ii) before any relevant event in relation to the employer which occurs while the scheme is being wound up,

the value of the assets of the scheme is less than the amount at that time of the liabilities of the scheme, and

(b) the trustees or managers of the scheme designate that time for the purposes of this paragraph (before the occurrence of an event within sub-paragraph (a)(ii)),

an amount equal to the difference shall be treated as a debt due from the employer to the trustees or managers of the scheme.

This is subject to paragraph (3).

(3) Paragraph (2) applies only if—

(a) either—

(i) no relevant event within paragraph (6A)(a) or (b) occurred in relation to the employer during the period beginning with (and including) the appointed day and ending with the commencement of the winding up of the scheme, or

Status: Point in time view as at 11/02/2008. This version of this Order contains provisions that are not valid for this point in time.

- (ii) during the period—
 - (a) beginning with the occurrence of the last such relevant event which occurred during the period mentioned in head (i), and
 - (b) ending with the commencement of the winding up of the scheme, a cessation notice was issued in relation to the scheme and became binding, and
 - (b) no relevant event within paragraph (6A)(c) has occurred in relation to the employer during the period mentioned in sub-paragraph (a)(i).
- (4) Where—
- (a) immediately before a relevant event (“the current event”) occurs in relation to the employer the value of the assets of the scheme is less than the amount at that time of the liabilities of the scheme,
 - (b) the current event—
 - (i) occurred on or after the appointed day, and
 - (ii) did not occur in prescribed circumstances,
 - (c) if the scheme was being wound up immediately before that event, paragraph (2) has not applied in relation to the scheme to treat an amount as a debt due from the employer to the trustees or managers of the scheme,
 - (d) if the current event is within paragraph (6A)(a) or (b), either—
 - (i) no relevant event within paragraph (6A)(a) or (b) occurred in relation to the employer during the period beginning with (and including) the appointed day and ending immediately before the current event, or

 - (a) beginning with the occurrence of the last such relevant event which occurred during the period mentioned in head (i), and
 - (b) ending immediately before the current event, and
 - (e) no relevant event within paragraph (6A)(c) has occurred in relation to the employer during the period mentioned in sub-paragraph (d)(i),

(4B) Paragraph (4C) applies if, in a case within paragraph (4)—

- (a) the current event is within paragraph (6A)(a) or (b), and
- (b) the scheme was not being wound up immediately before that event.

(4C) Where this paragraph applies, the debt due from the employer under paragraph (4) is contingent upon—

- (a) a scheme failure notice being issued in relation to the scheme after the current event and the following conditions being satisfied—
 - (i) the scheme failure notice is binding,
 - (ii) no relevant event within paragraph (6A)(c) has occurred in relation to the employer before the scheme failure notice became binding, and

- (iii) a cessation event has not occurred in relation to the scheme in respect of a cessation notice issued during the period—

(5) For the purposes of [F127 paragraphs (2) and (4)], the liabilities and assets to be taken into account, and their amount or value, must be determined, calculated and verified by a prescribed person and in the prescribed manner.

(6 In calculating the value of any liabilities for those purposes, a provision of the scheme [F127 rules] which limits the amount of its liabilities by reference to the amount of its assets is to be disregarded. [F127 In this paragraph “scheme rules” has the same meaning as in the Pensions (Northern Ireland) Order 2005 (“the 2005 Order”) (see Article 2 of that Order).]

[F127(6A) For the purposes of this Article, a relevant event occurs in relation to the employer in relation to an occupational pension scheme if and when—

this Article has effect as if that resolution had never been passed and any debt which arose under this Article by virtue of the passing of that resolution shall be treated as if it had never arisen.]

(7) This Article does not prejudice any other right or remedy which the trustees or managers may have in respect of a deficiency in the scheme's assets.
